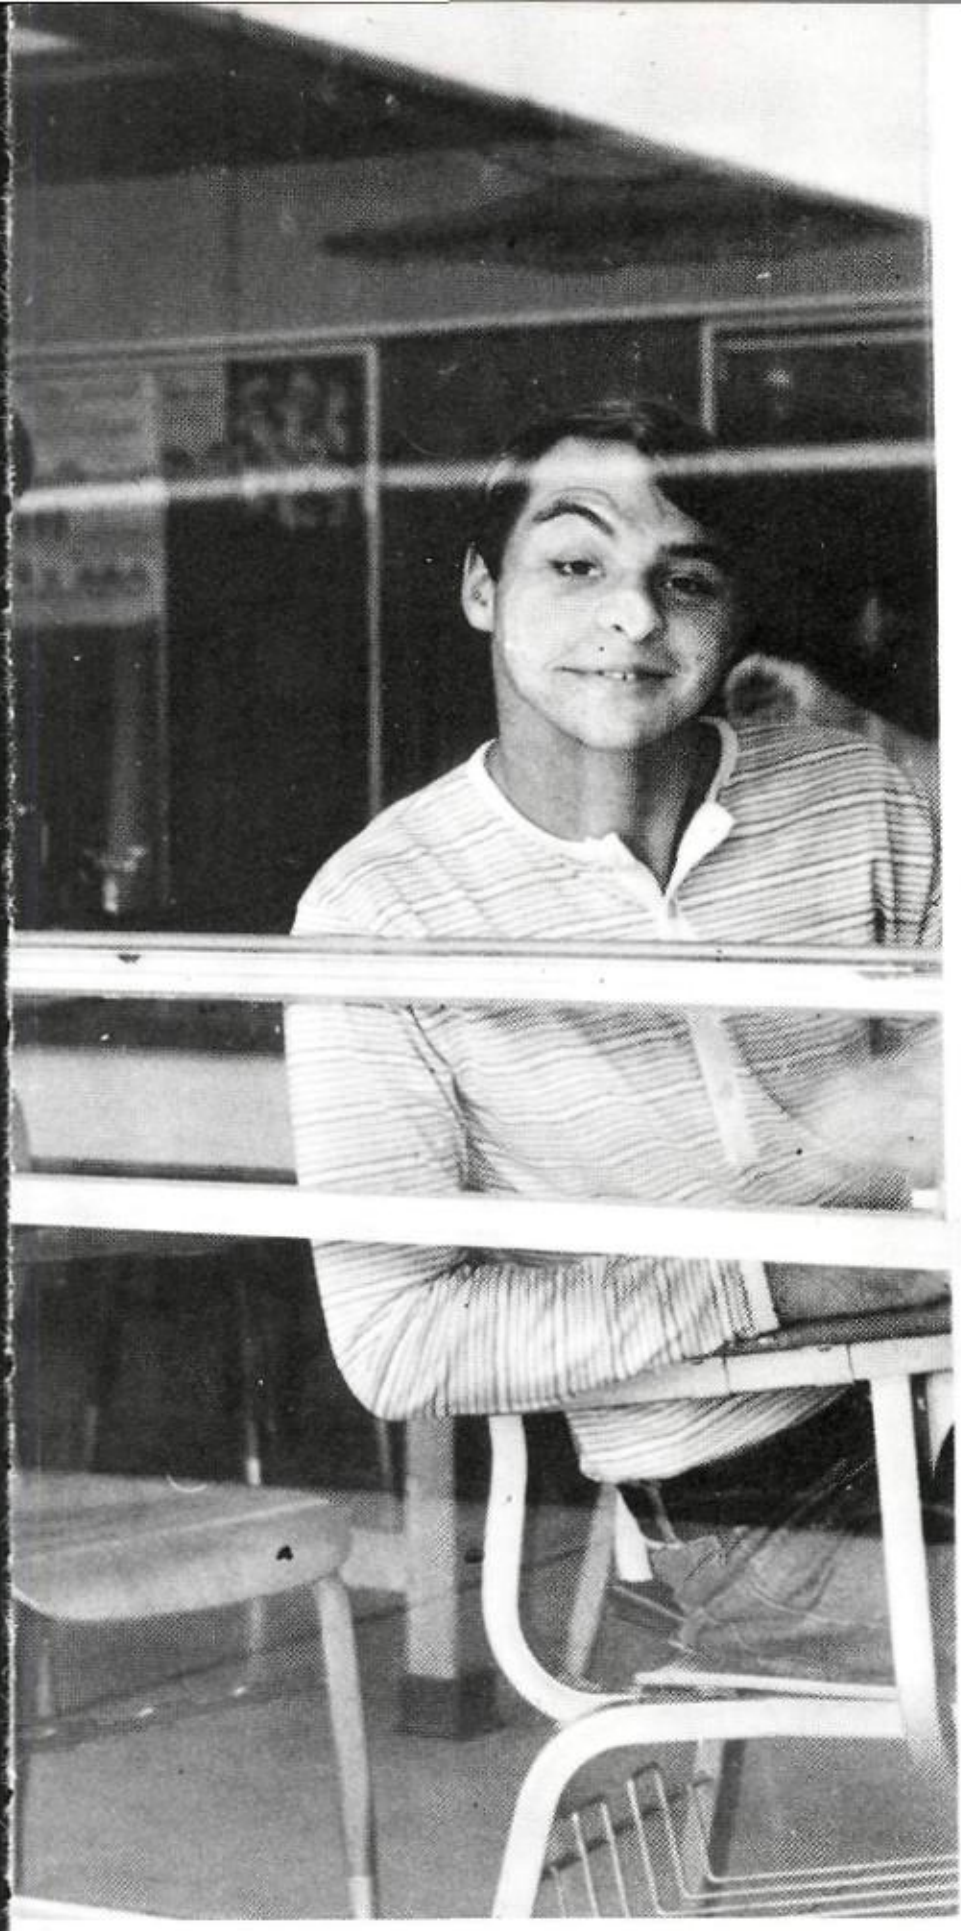
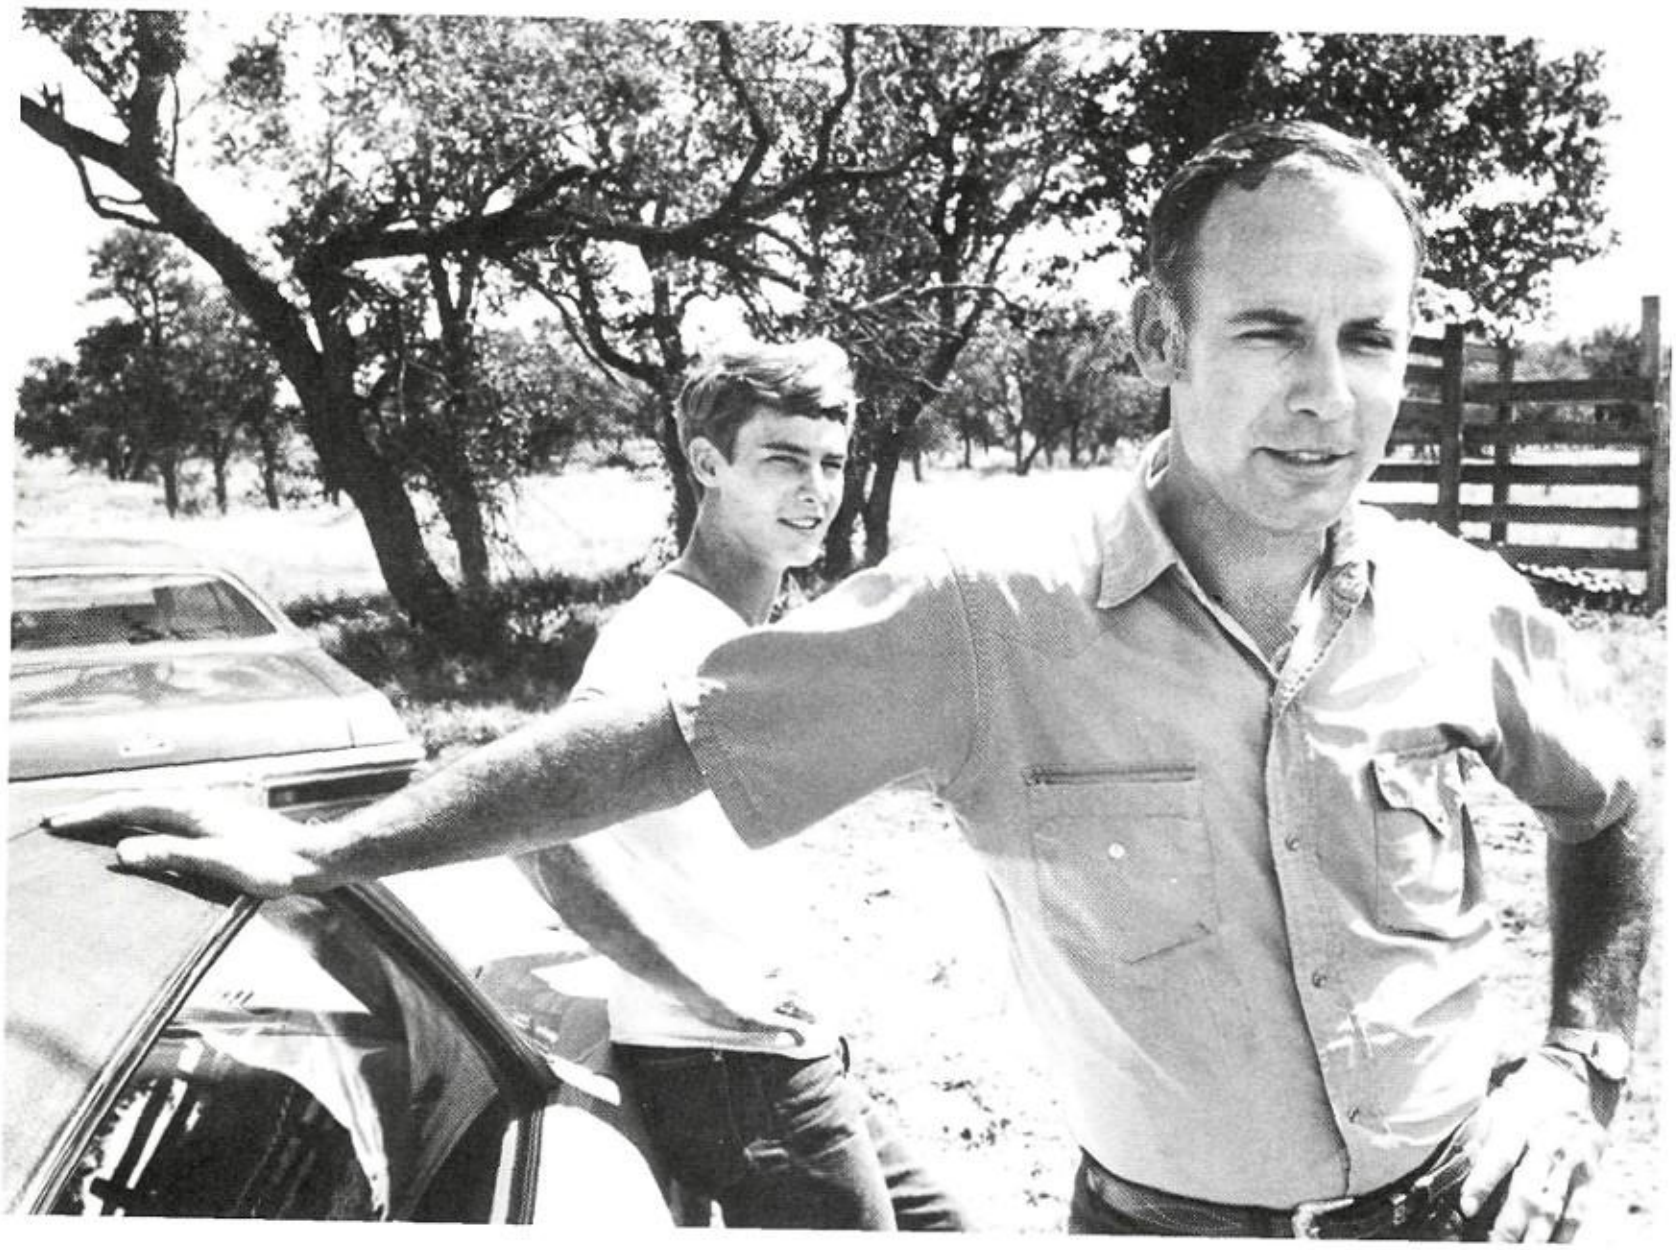
*To Be Determined

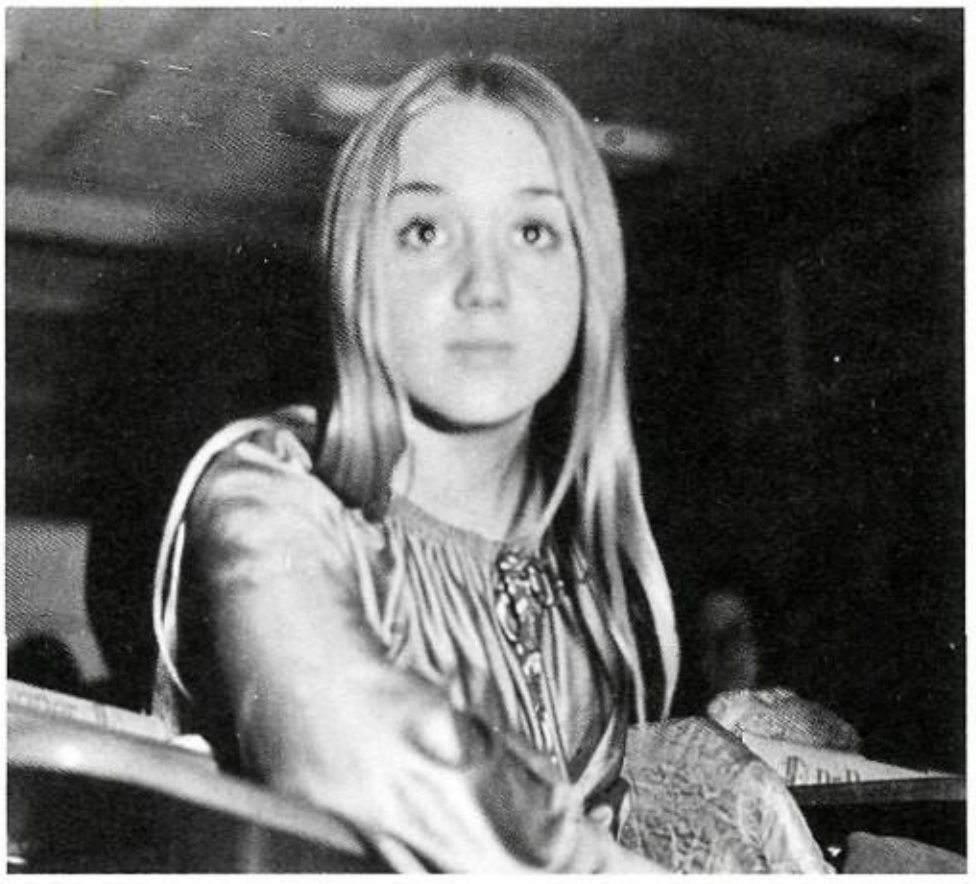


The reasons for actions are determined by
individuals — each one looking at any
given point from a multitude
of different angles.

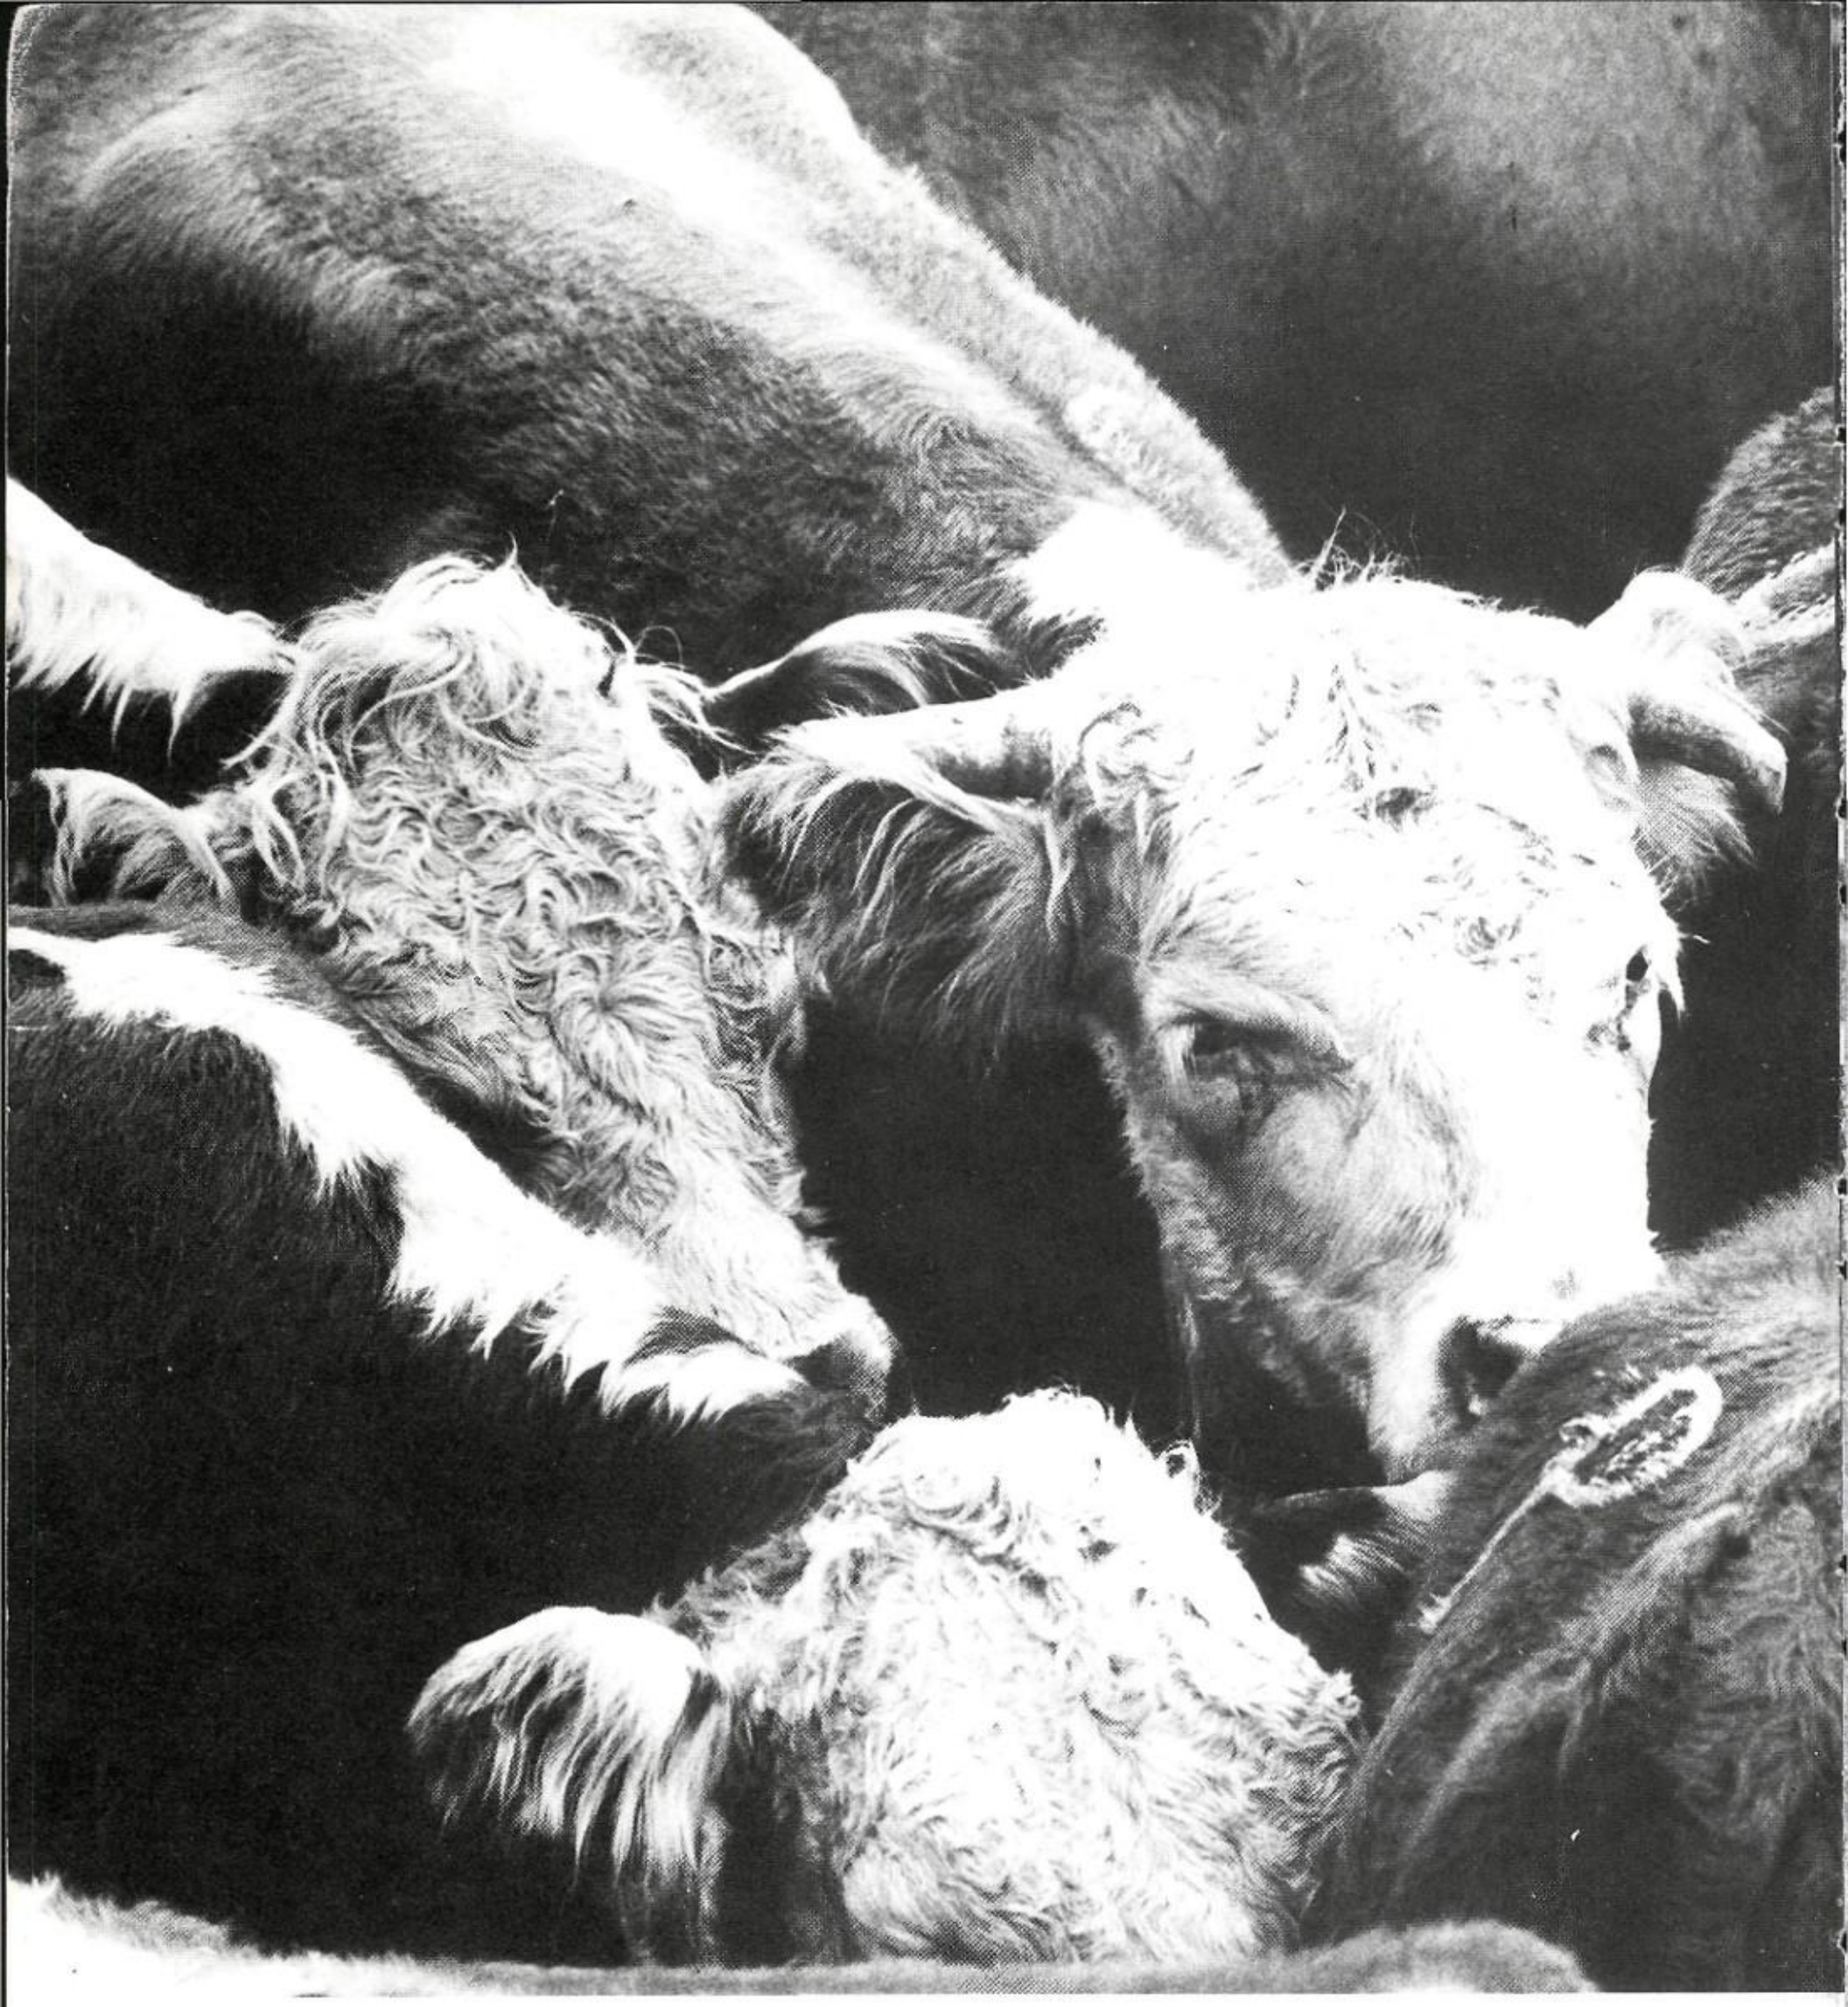
And in this vision is a search for truth.

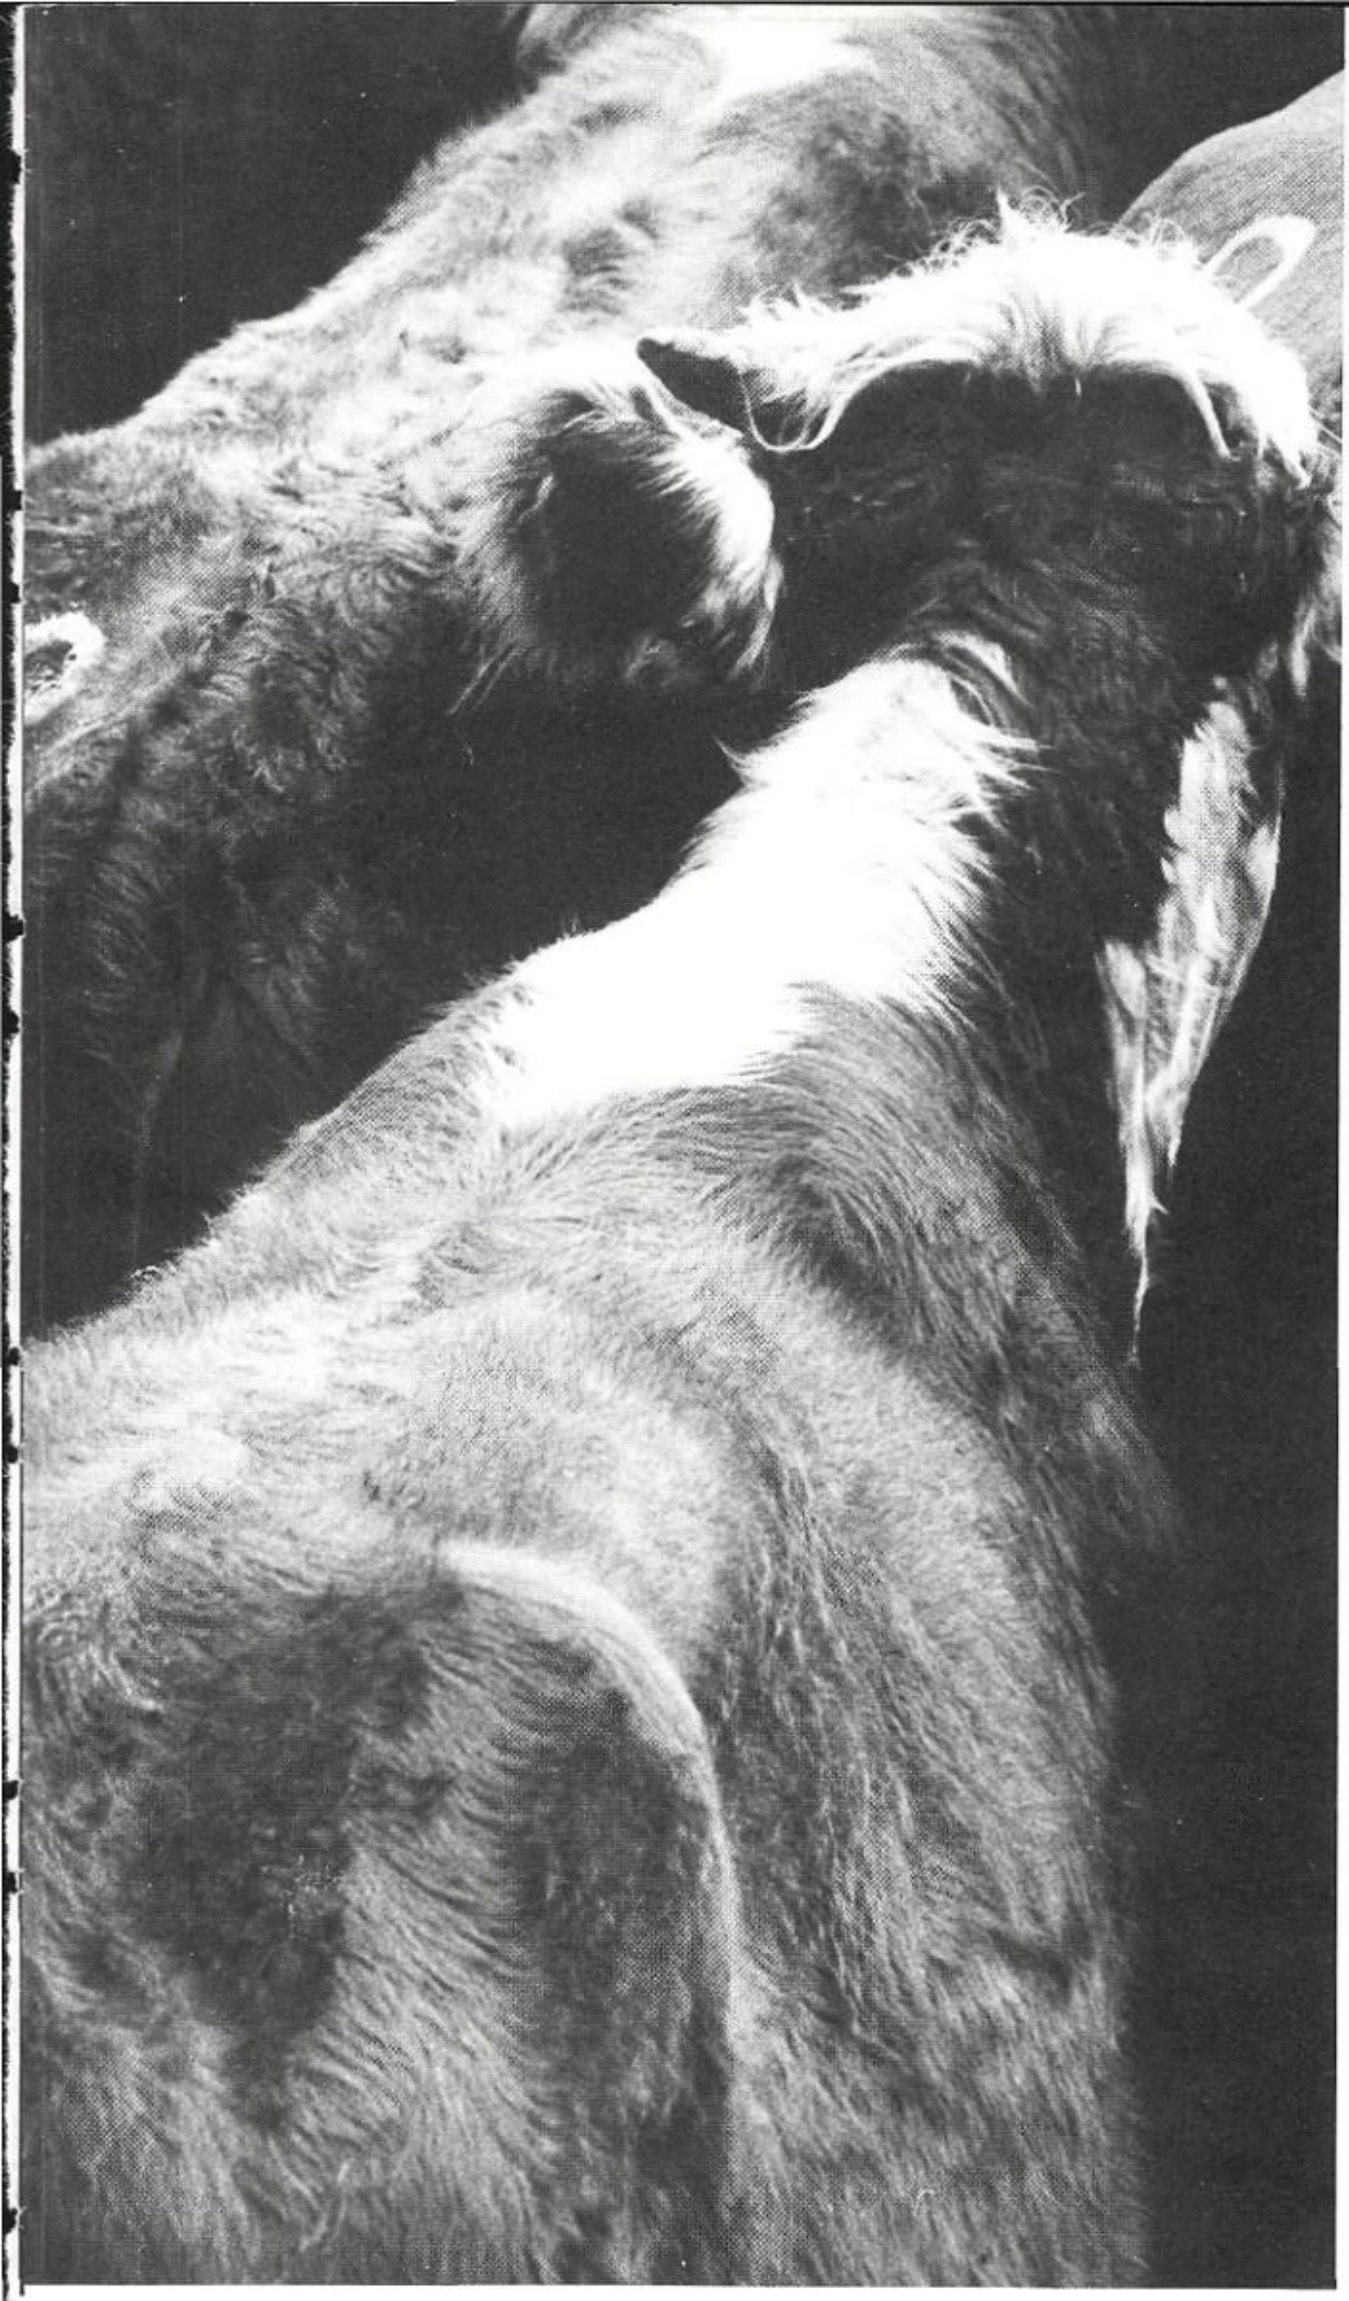


But, then, everyone does not interpret truth in the same manner.



Looking at it from so many different sides is sure to bring just as many contradictory views.





Moreover,
where
all
think
alike,
no
one
thinks
much.

This mass confusion makes one wish that somehow it would be possible to be "outside looking in," not as a part of the human world, but just as an observer.

LIONS

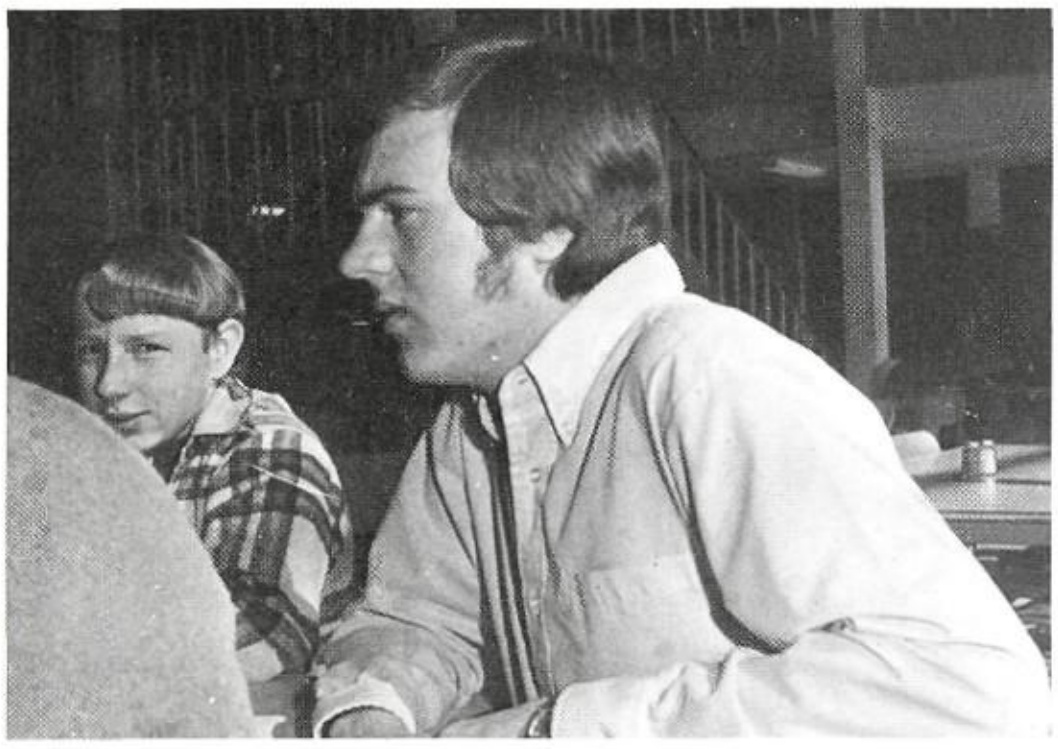
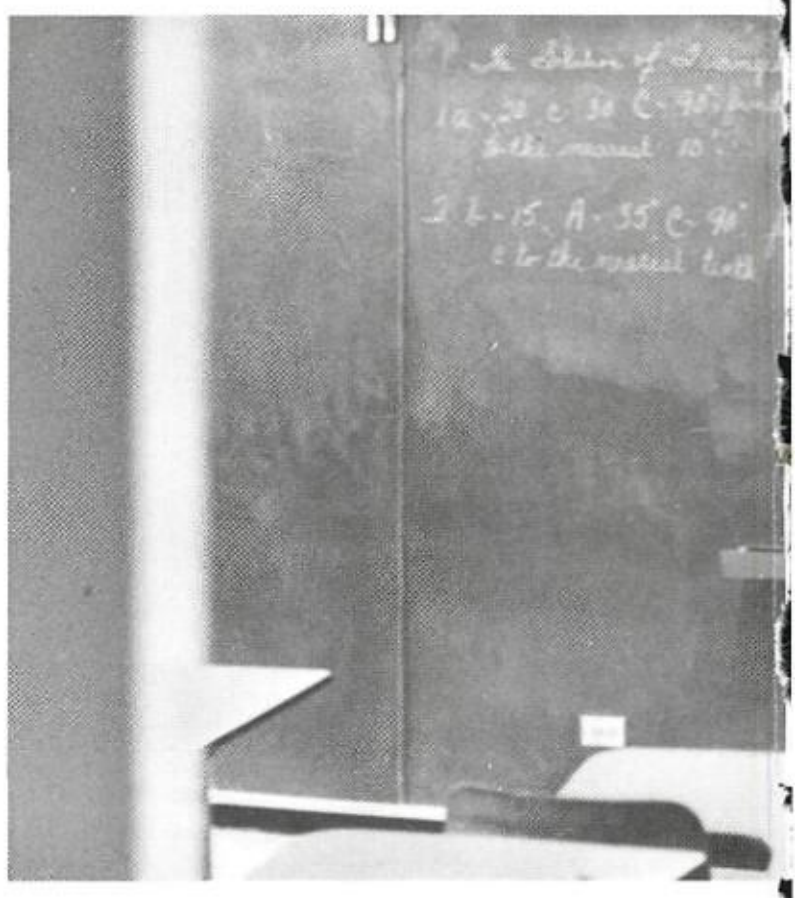
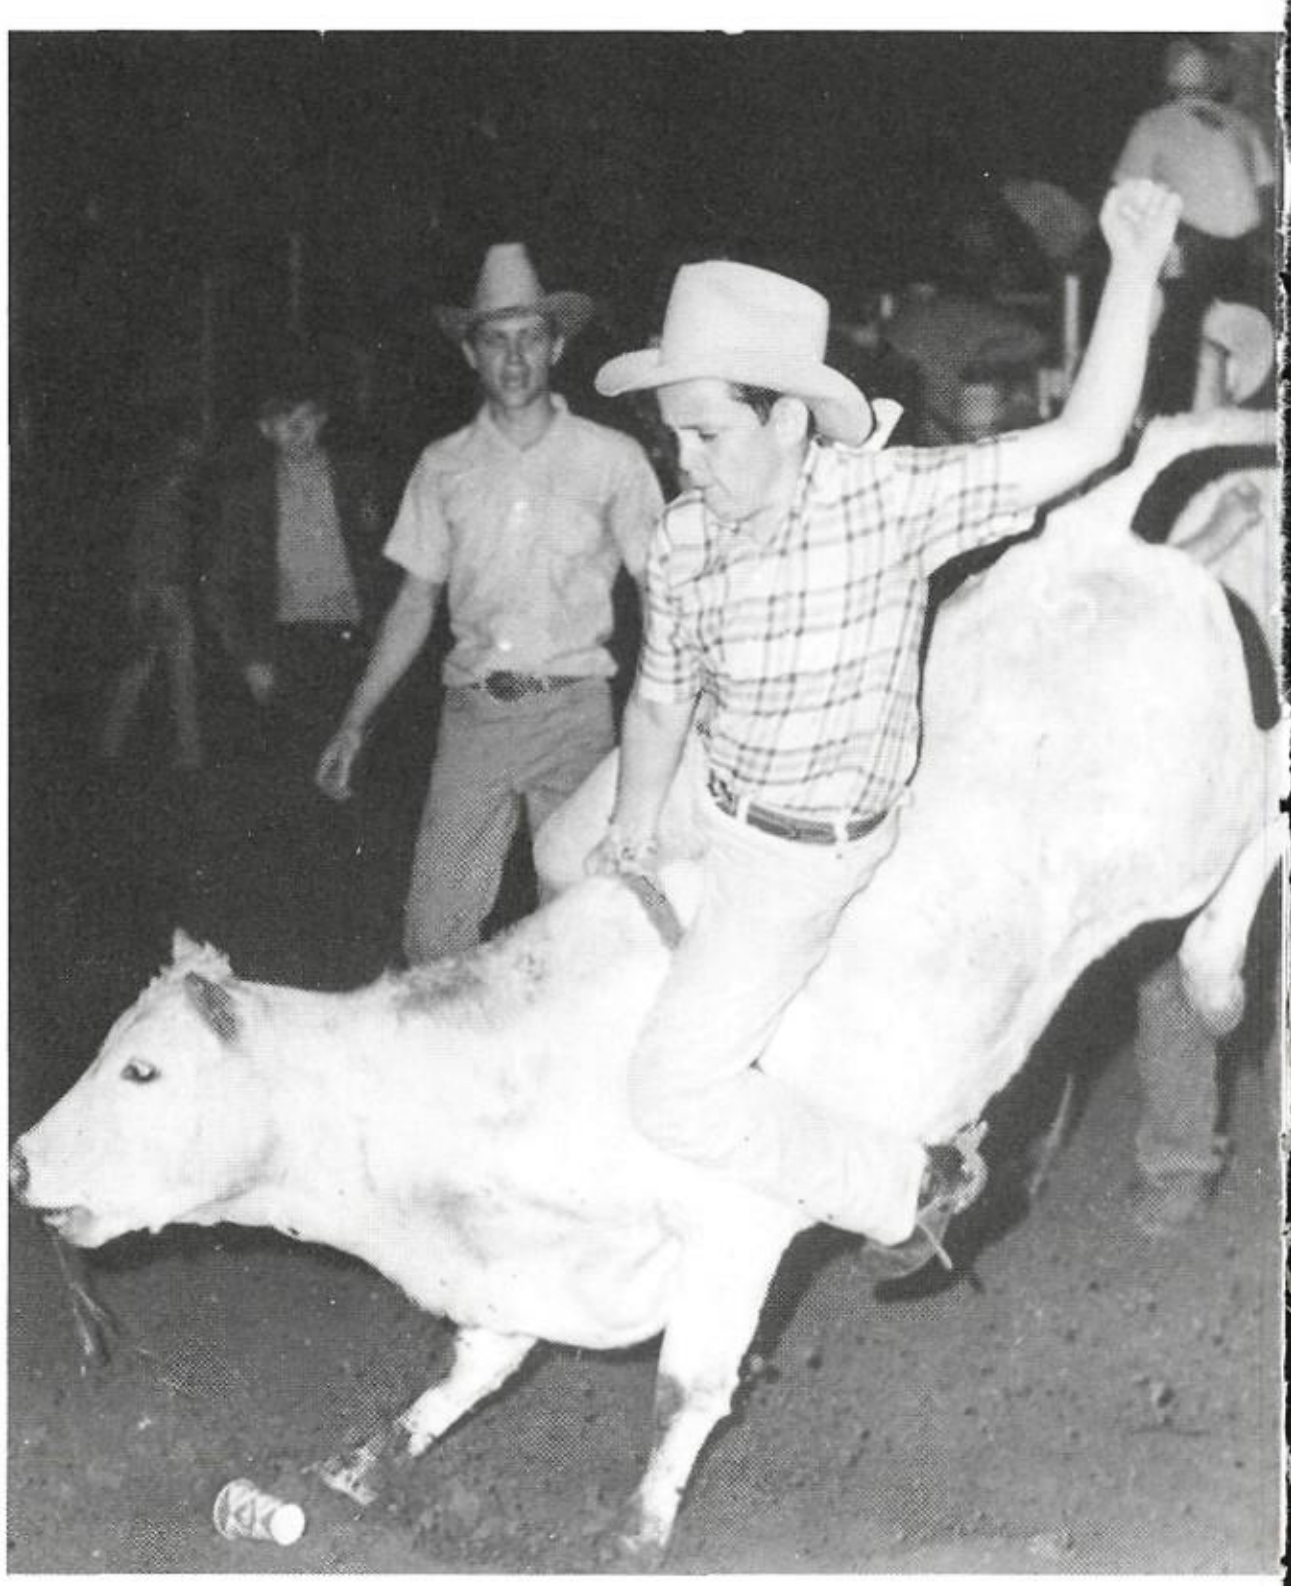
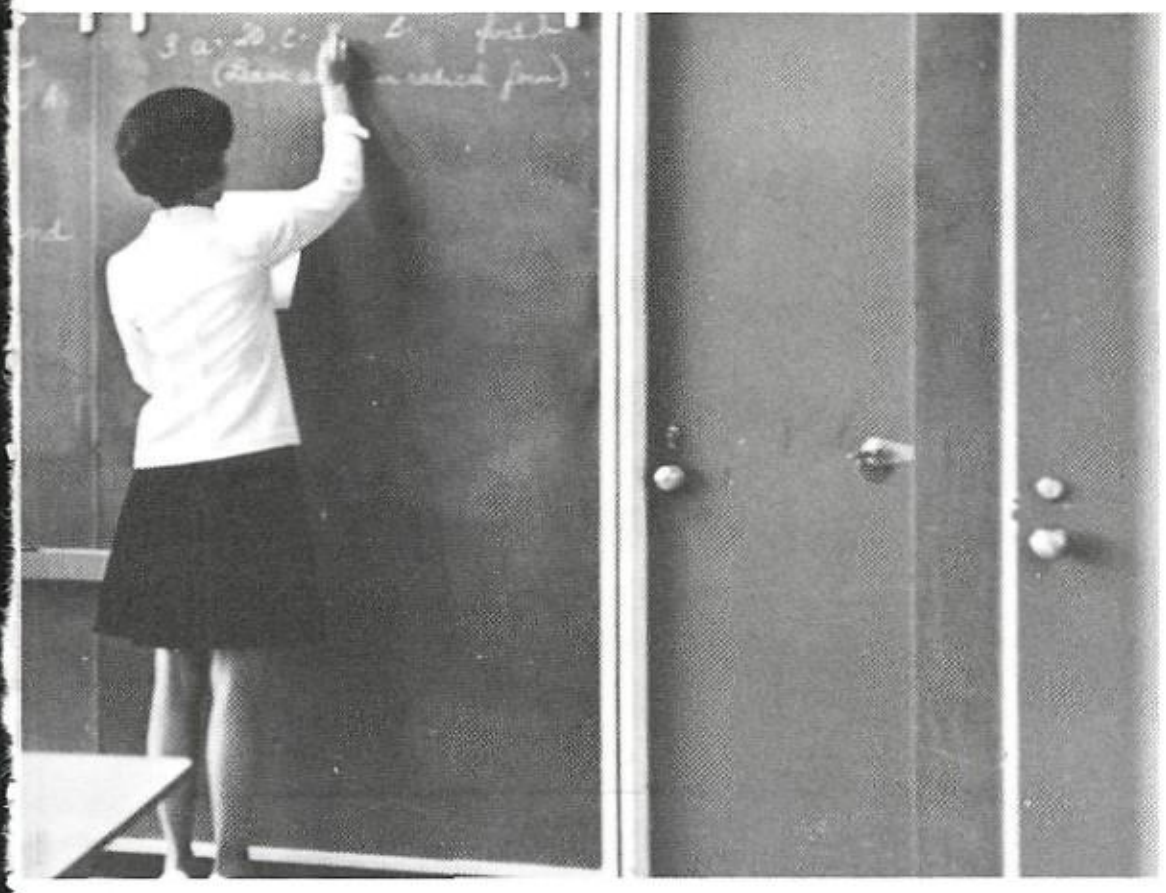
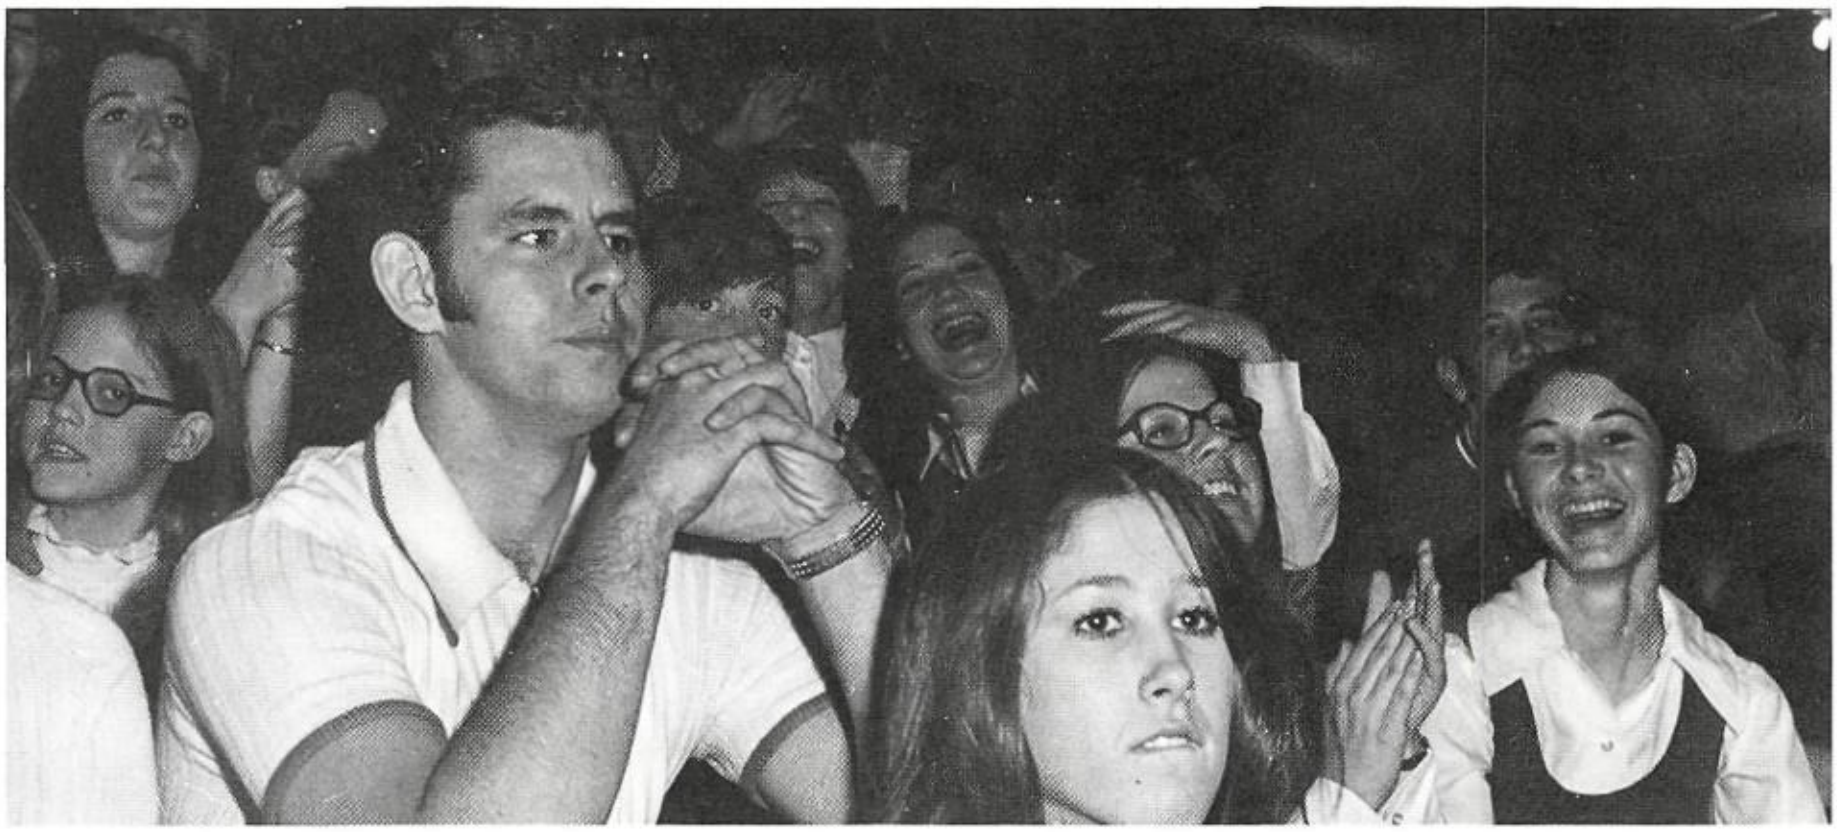
Yet if people sit back and merely
observe, how can they ever know
what it feels like to experience,
to be a part of the world
they supposedly do not want.







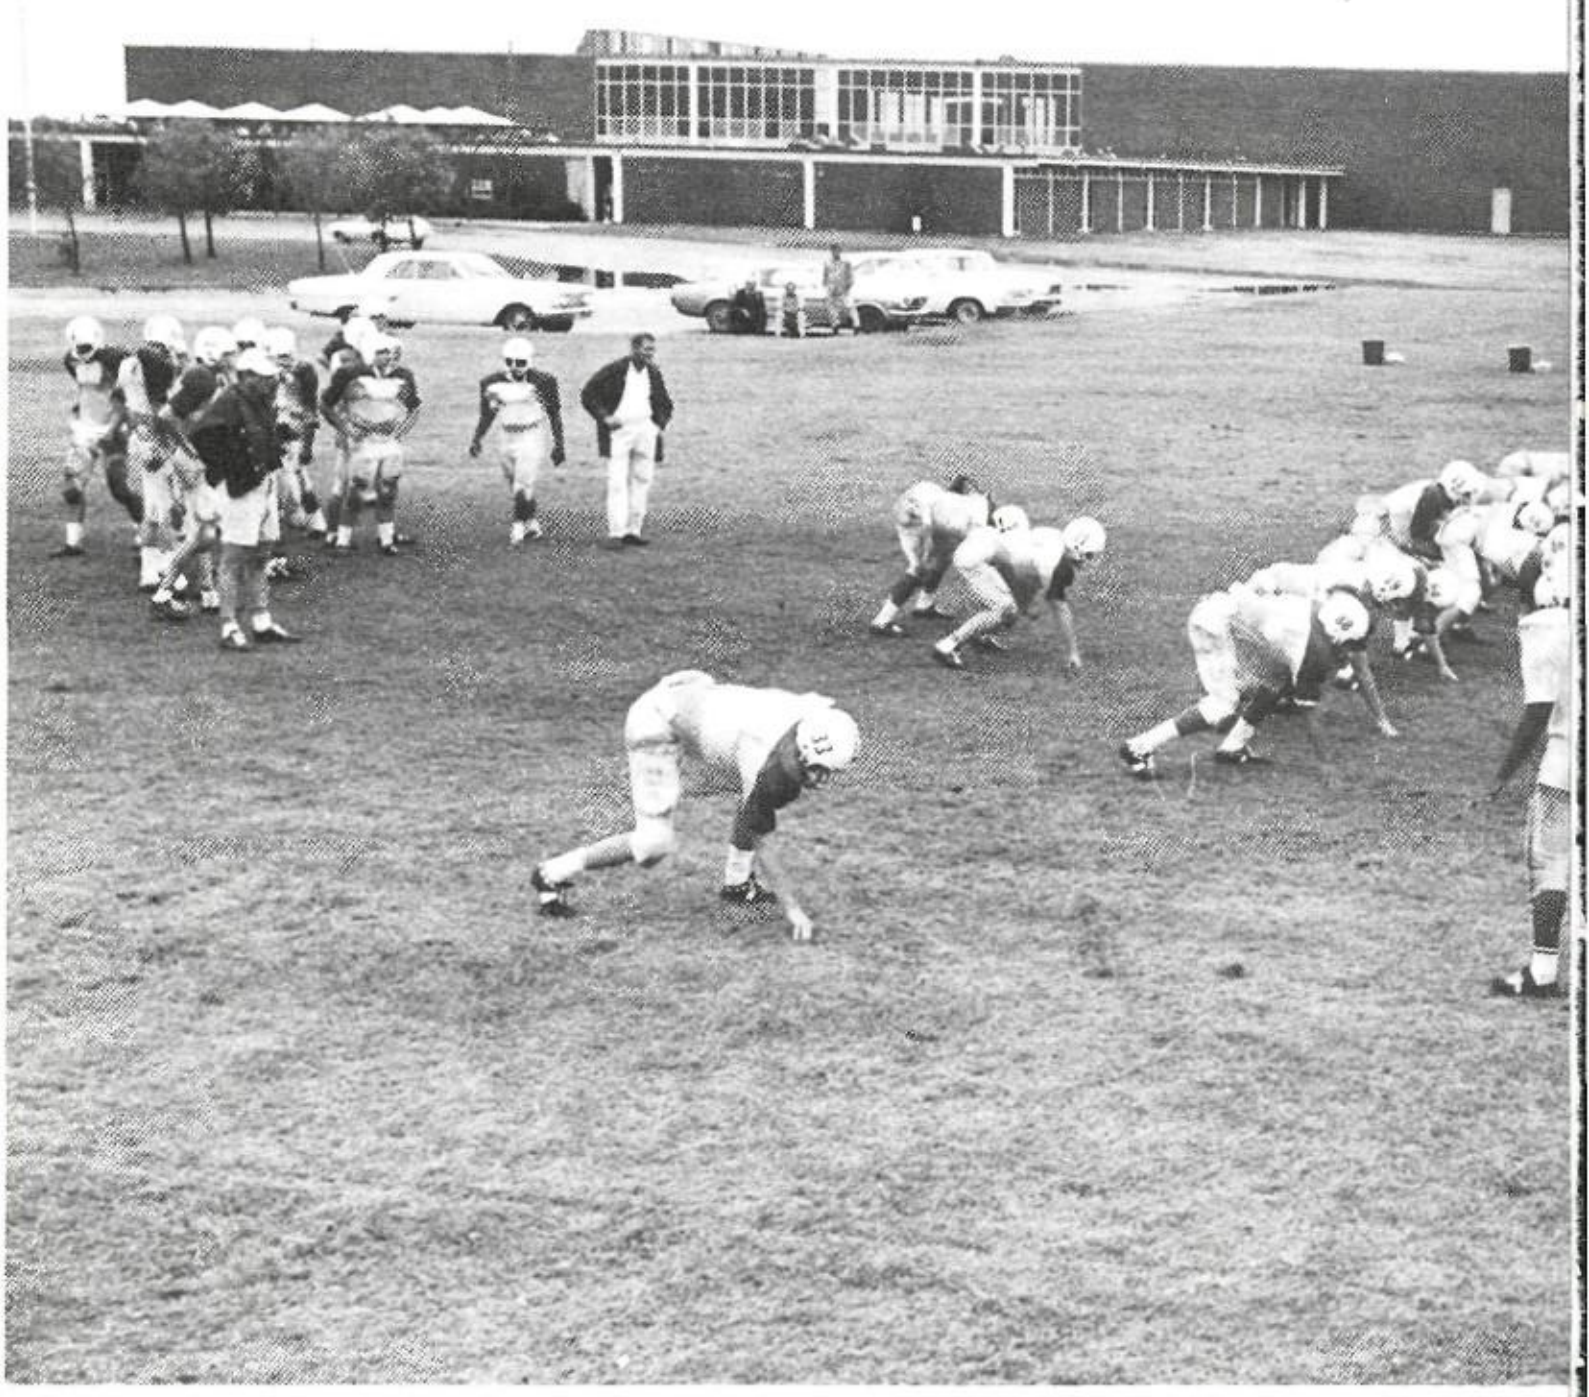




Involvement, it derives
from ambition and
encouragement.

And in this involvement we feel the intense fervor of anticipation, participation, and gratification.

B

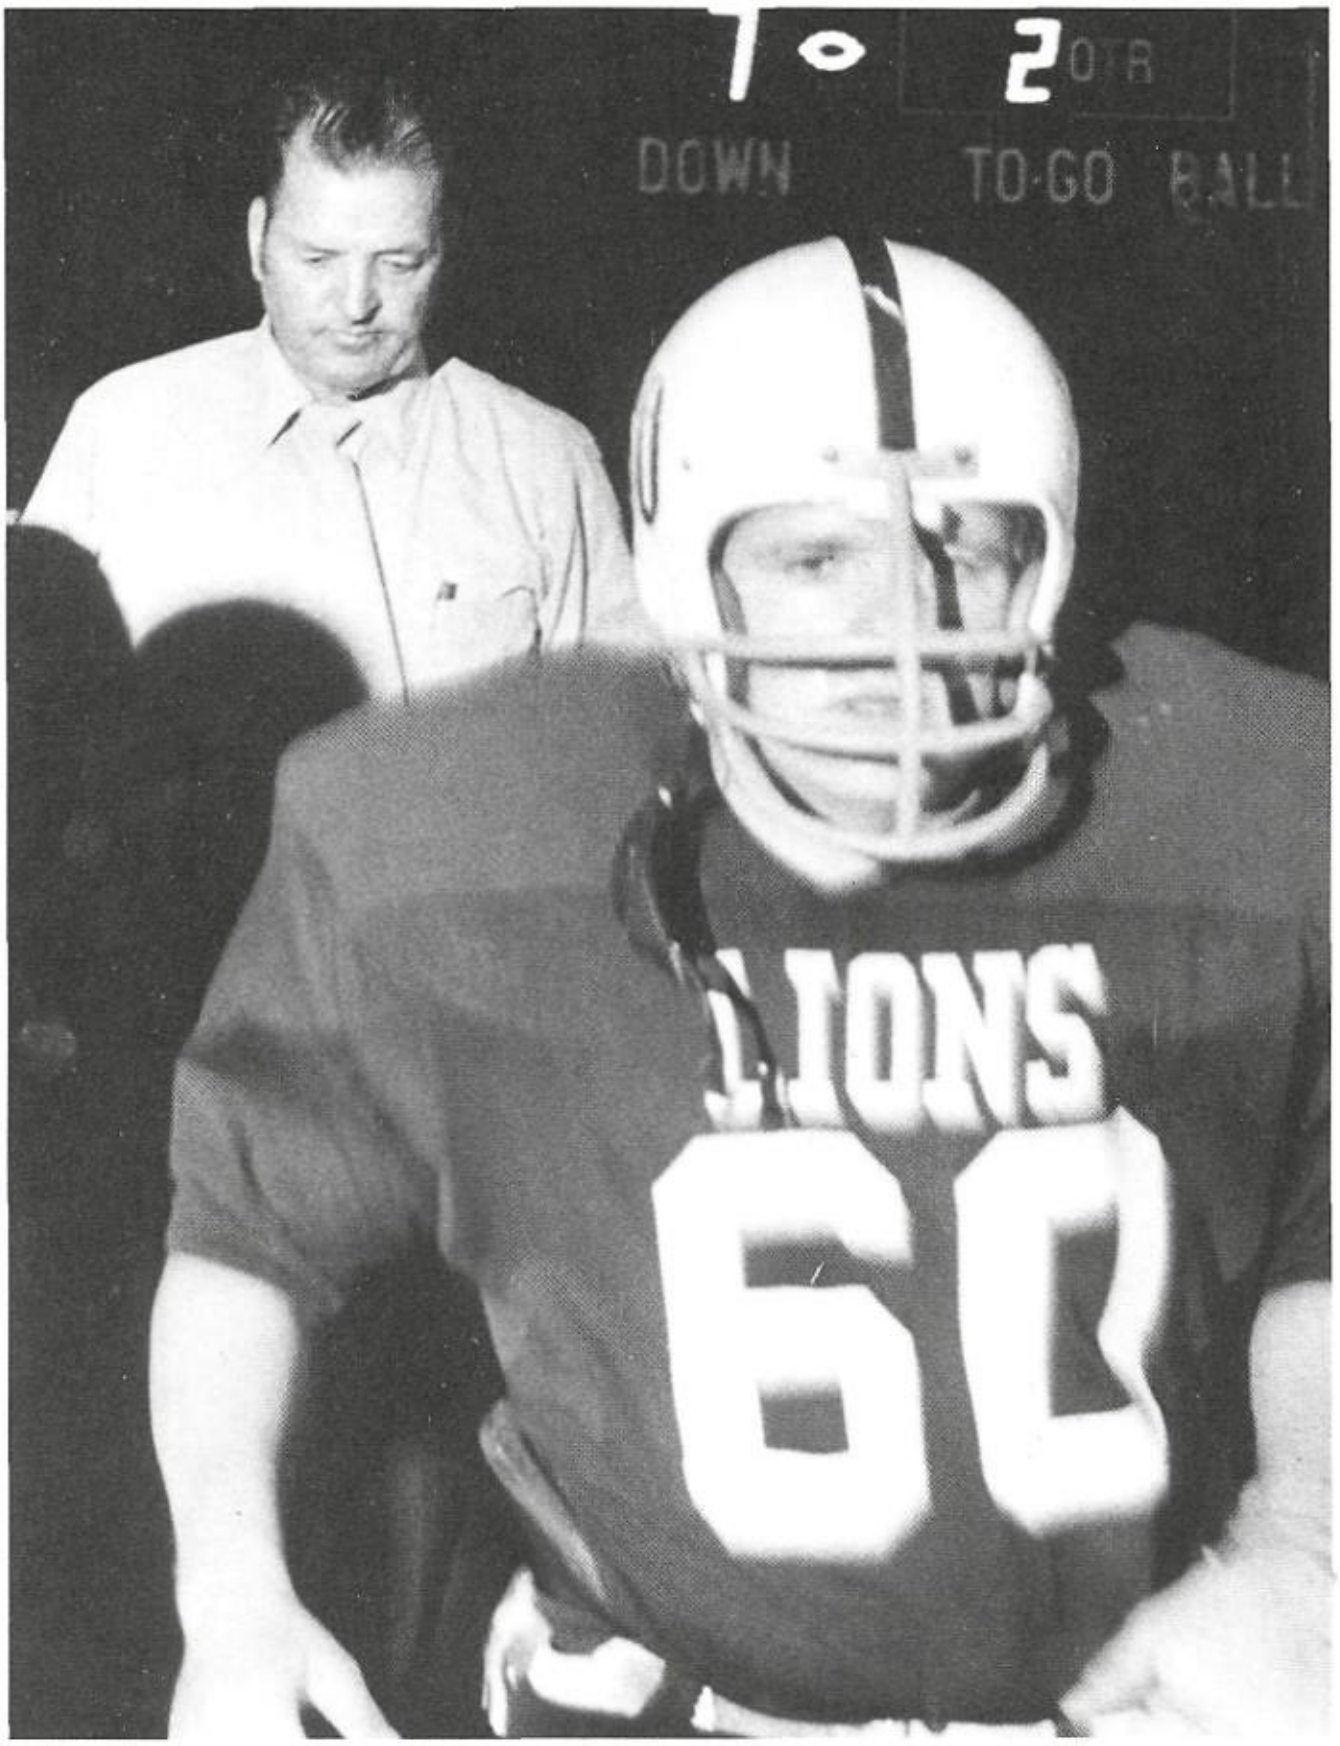


Ambition:

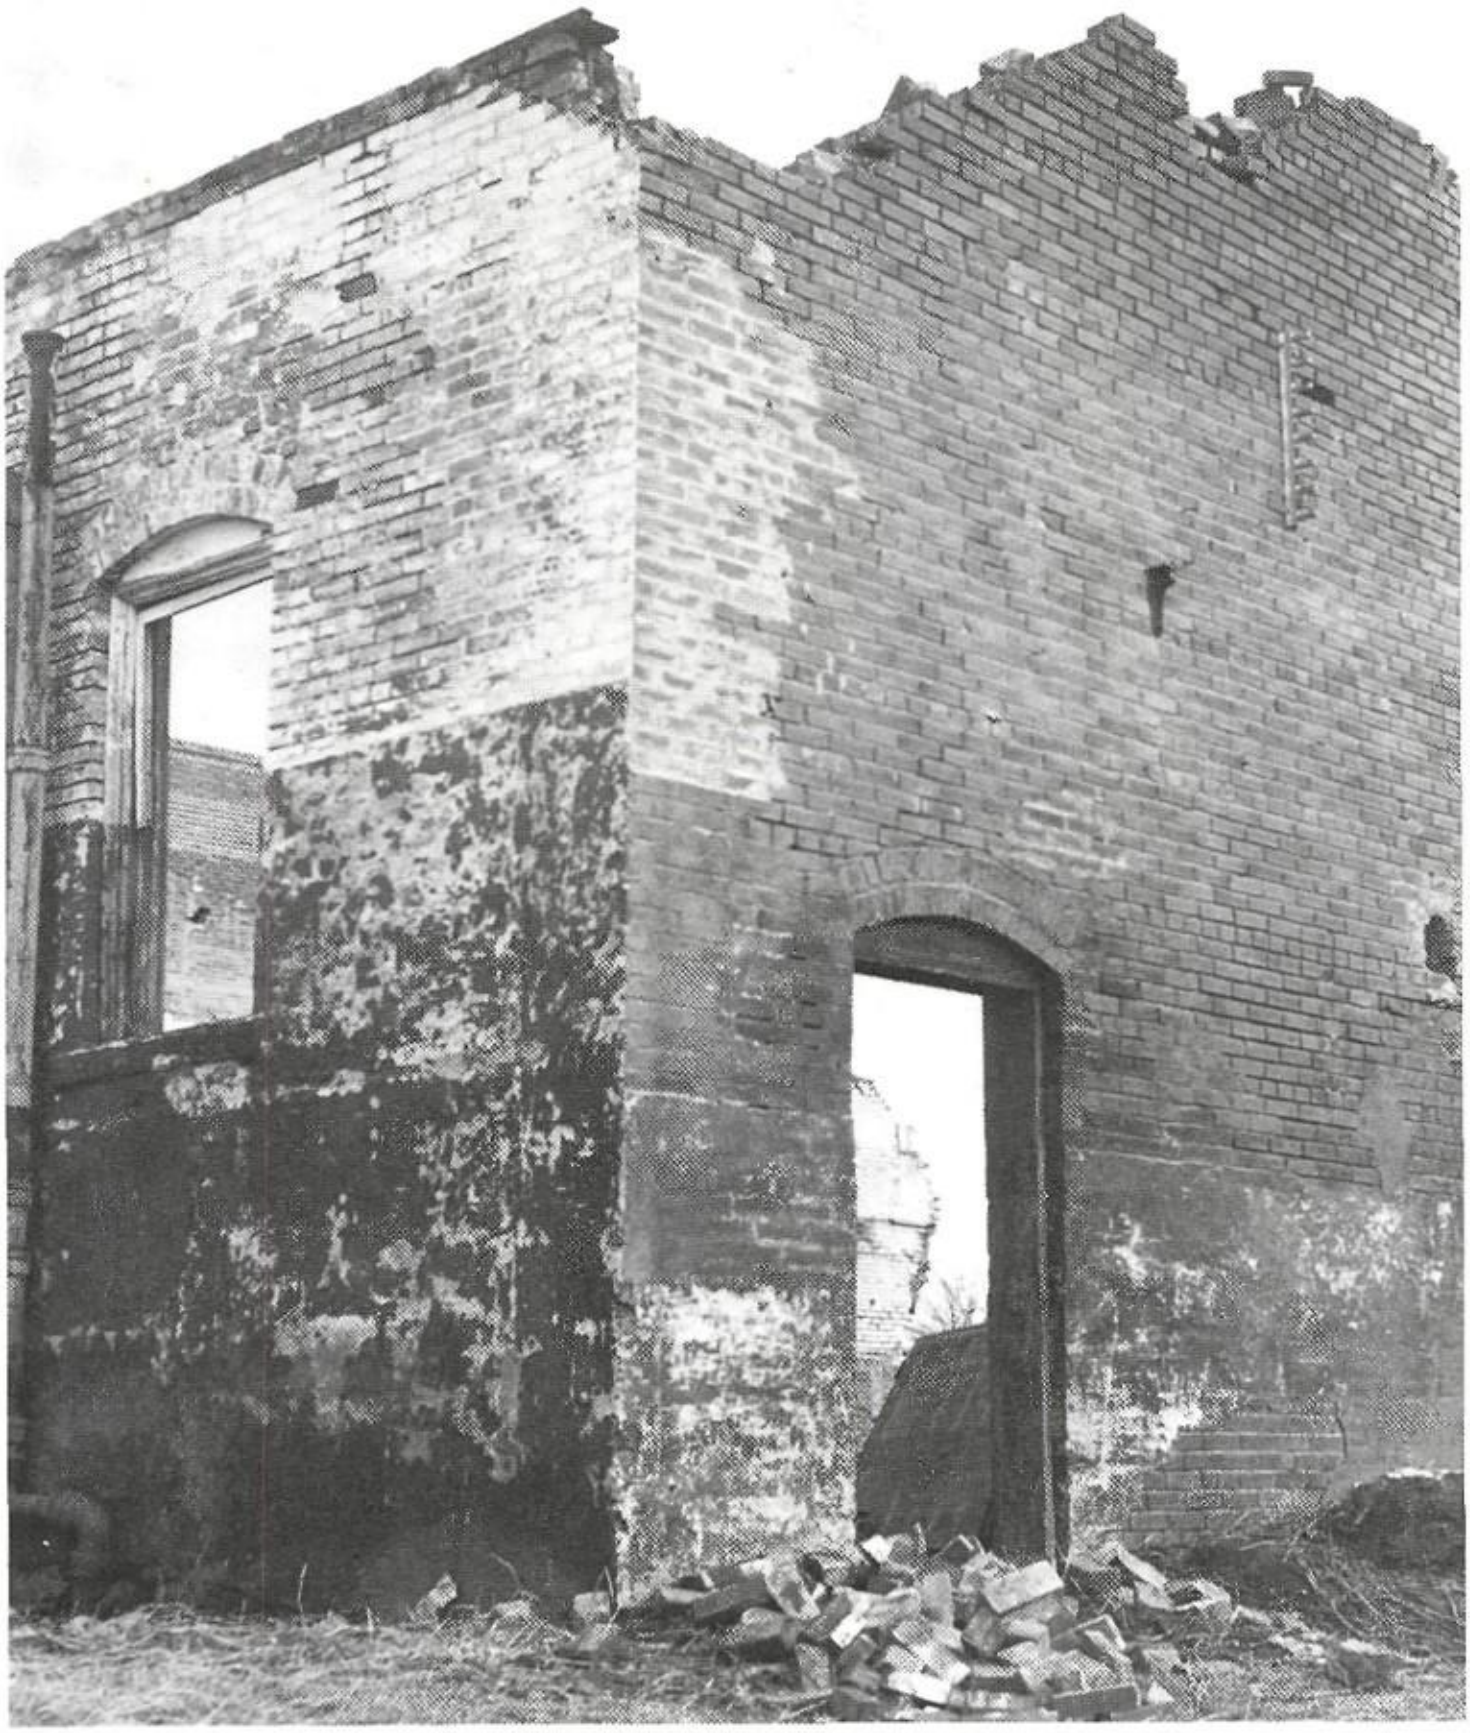
"The desire to win is useless without the desire to prepare."

Competition motivates an inner strength that

catalyzes an outer reaction.



But one must remember that along with these



comes the inevitability of success or failure.

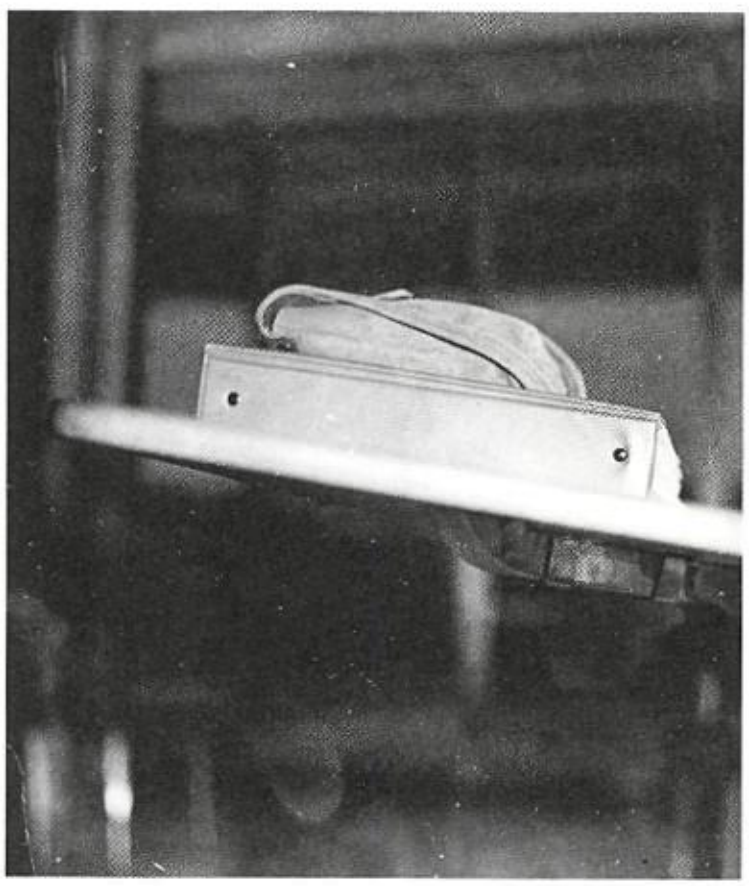
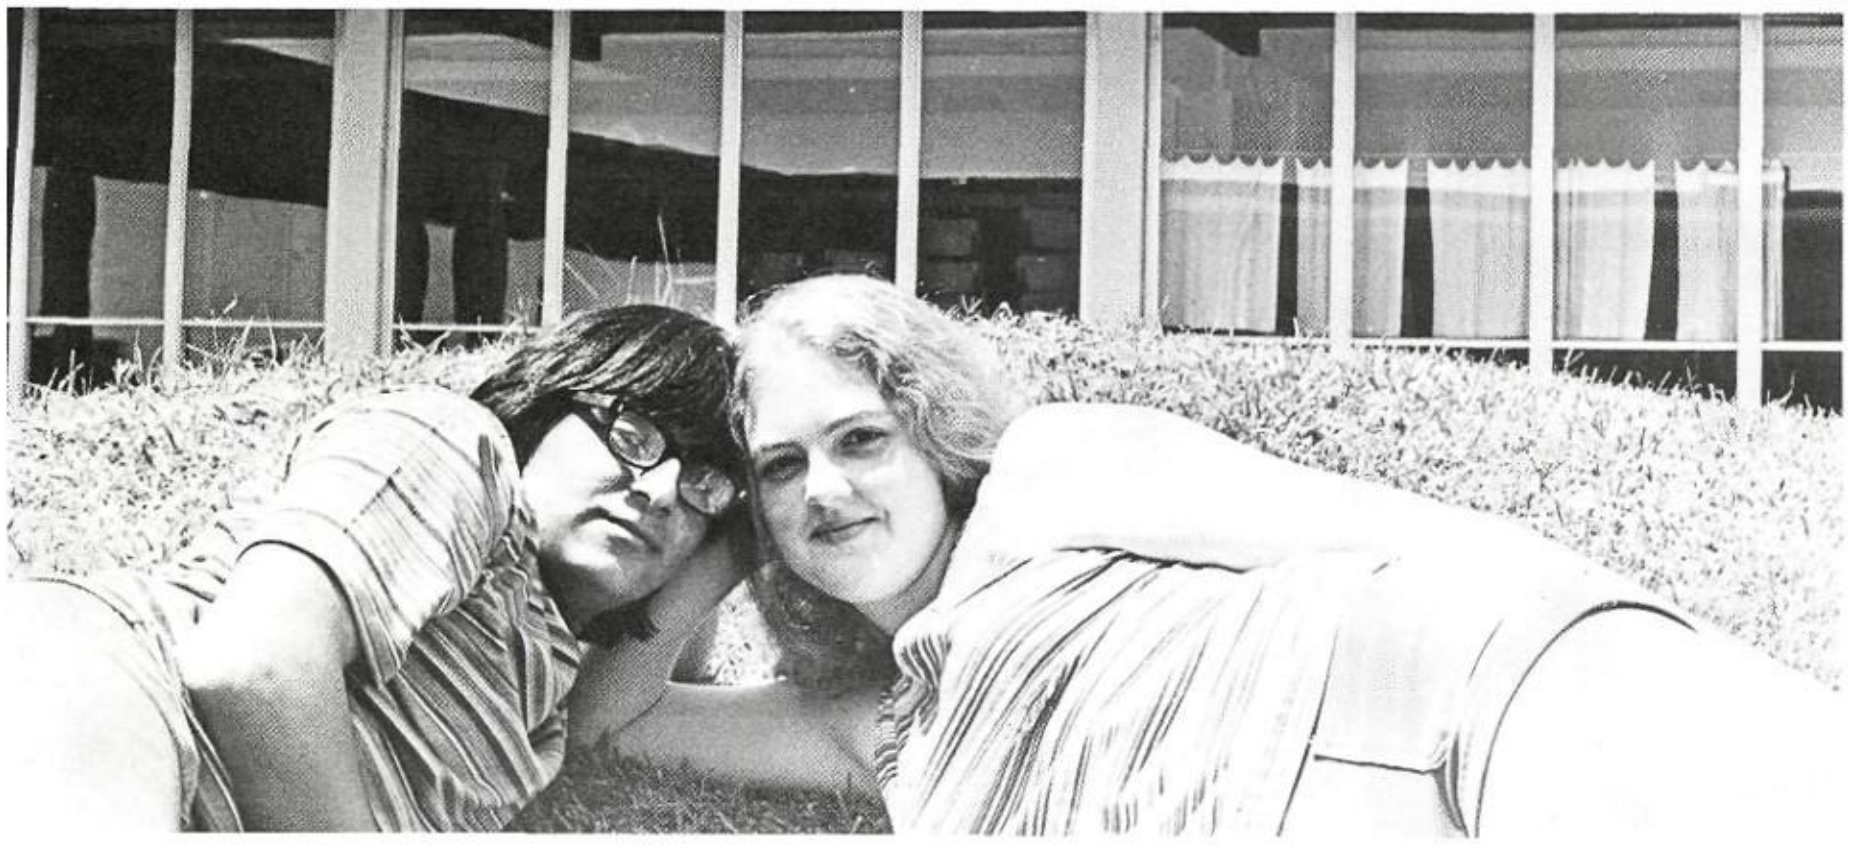
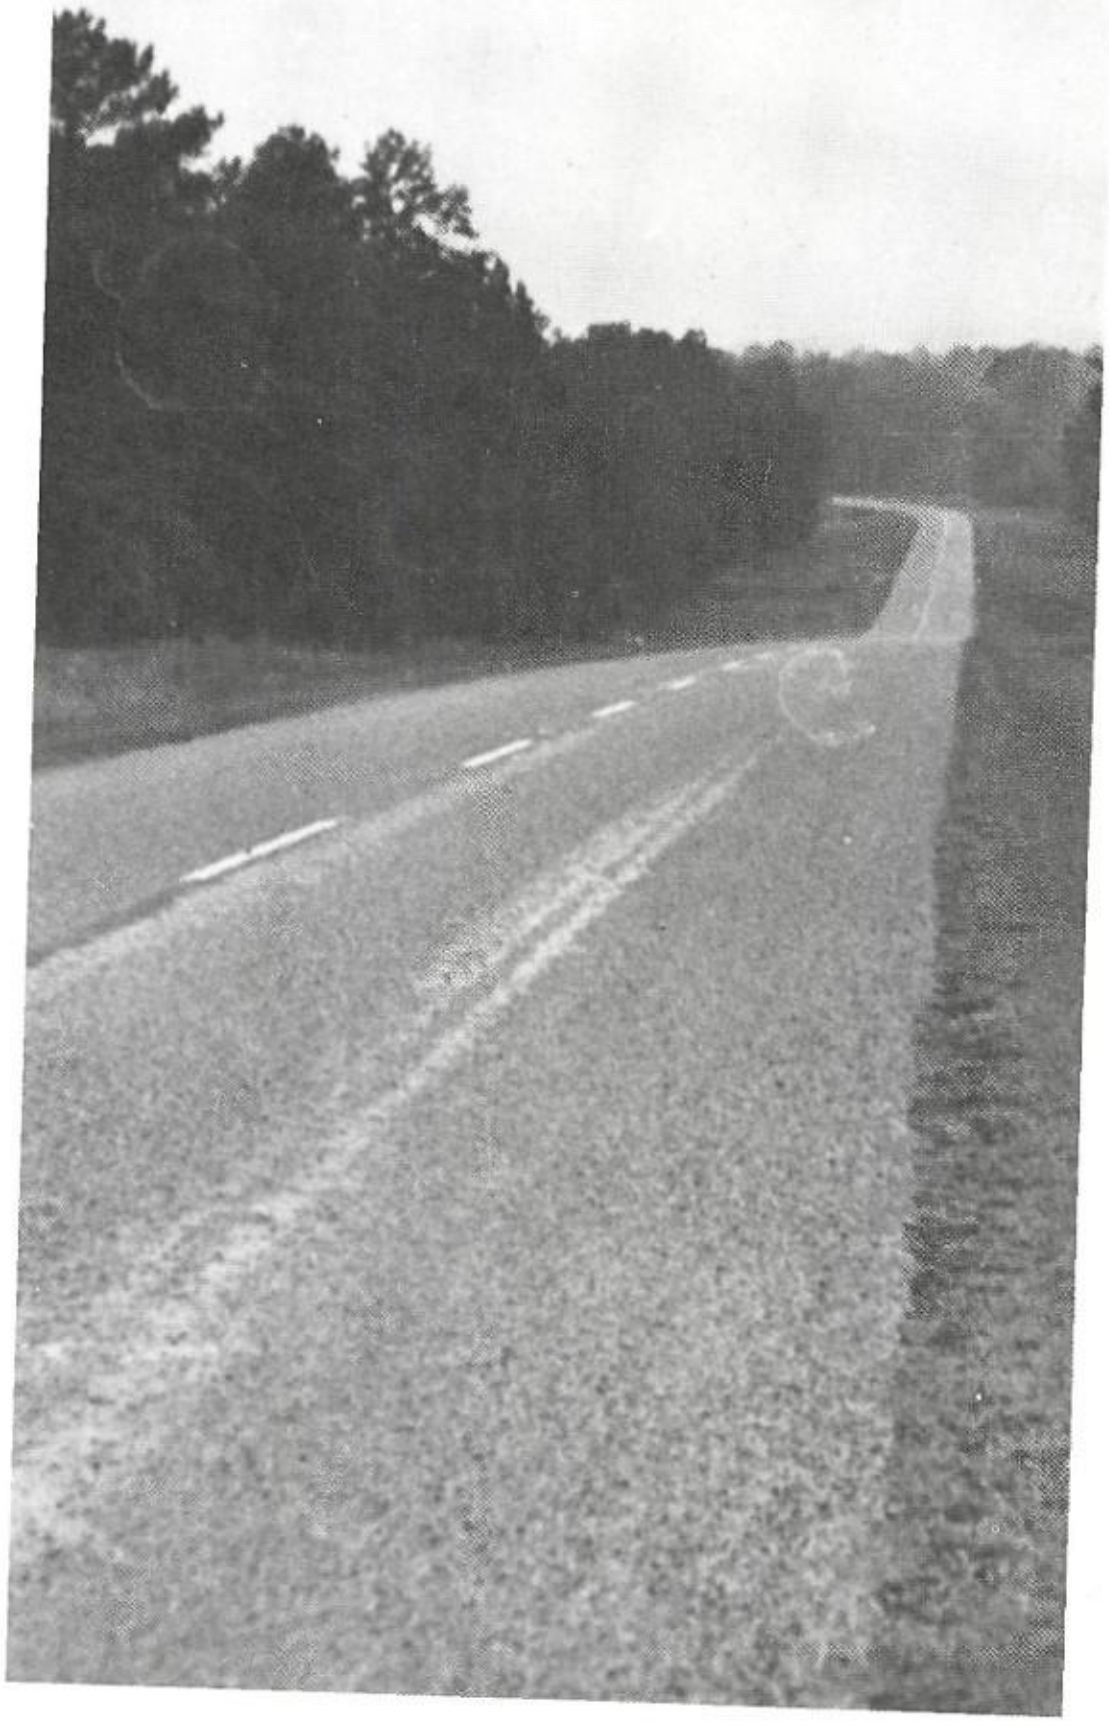
Stage crew for the musical.

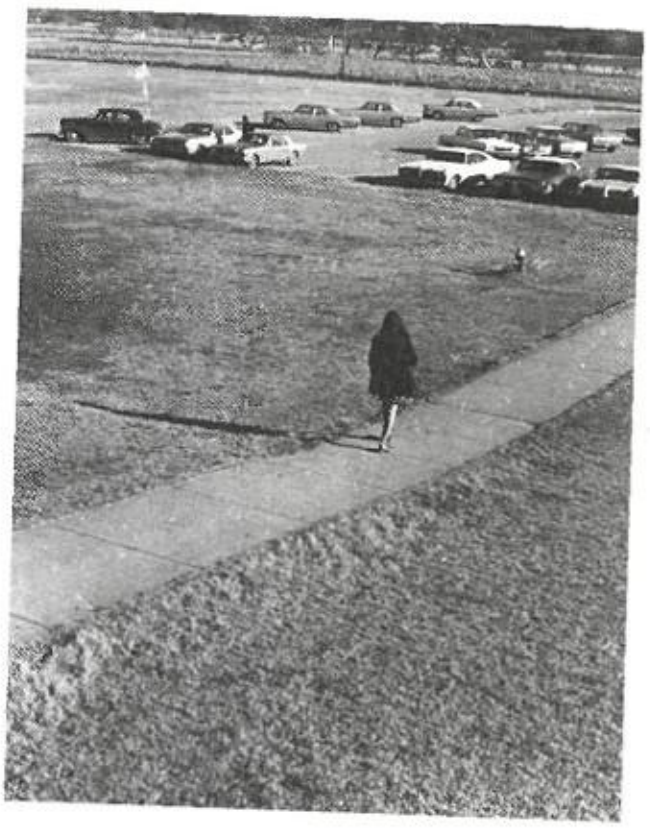
Ever so faithfully, the 8:25 bell rings and transports 750 students into the "world of BHS."



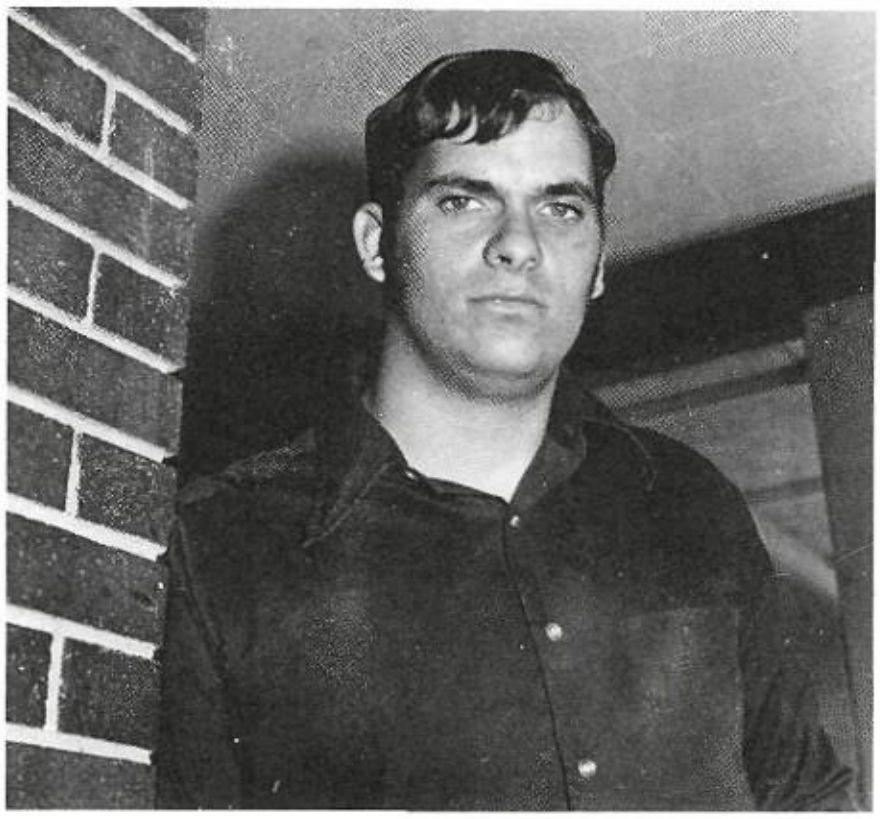


The 3:35 getaway bell, often five or ten minutes late, releases over seven hours of hostilities from a demanding predicament into freedom and relaxation.





Different people use this free time to do different things;



but most apply it to do what they like best.

Club Activities Add Spice to Daily Routines

The Art Club proved again to be an important and effective part of BHS. One of the highlights of the school year was the art show, sponsored by the ART Club. Members of the Art Club also aided the Junior and Senior classes by making posters for the class plays. The Art Club greatly aided Thespians by helping make decorations and signs for the West Texas Thespian convention that was held at BHS this year.

The Brownwood chapter of the International Thespian Society had a busy time this year. Not only did they produce their usual three plays and musical, but they also hosted the West Texas Thespian Convention at Brownwood this year. Mr. Alex Reeve was the head advisor for the convention's planning. Miss Kathleen Dabney, a young actress, participated in the convention. Miss Dabney read poetry of her own composition and she and Mr. Reeve read scenes from "She Stoops to Conquer."

Another of the activities in which Thespians entered was the one-act play contest. Brownwood won first at zone with Donna Low winning best actress, Greg Hass named on All-Star Cast, and Susan McMath given and Honorable Mention. In district competition, Brownwood again took first. Donna Low and John . Henley were named on All-Star Cast. At region, in the new North Texas State theatre, Brownwood placed second with Donna Low winning best actress, Ray West winning best supporting actor, and Celia King was named to All-Star Cast.

Art Show Winners pose with works.

In district competition for the Forensic meet, which took place in Weatherford, Donna Low placed second in prose reading, Susan McMath placed second in poetry interpretation, John Henley placed second in poetry interpretation, and Karen McBee placed third in extemporaneous speaking.

The members of Future Homemakers of America were involved in many worthwhile projects this year. One of the projects was the collection of cancelled postage stamps to be sent to Norway to aid the fight against tuberculosis. Another of FHA's projects was the collection of discarded eyeglasses. The Brownwood Chapter of FHA also contributed to the Area IV meeting at Tarleton State College.

Turning in their usual fine performance at every football game, the band provided an added incentive for student participation at the games. Aided by the drill team, the BHS band combined music and precision to produce and outstanding half-time show. The Band also entered UIL competition and Roy Hawkins won a seat on the All-State Band.

The BHS Stage Band was truly exceptional this year. Under the direction of Dave Lewis, the BHS Stage Band won the showmanship award at Brownwood's annual Stage Band Festival. Mike Lewis won the class 3-AAA All Star Band Trumpet position. One of the main attractions at the festival was the Hawaiian stage band which featured dancers performing Hawaiian and Polynesian dances.

The band and stage band made many trips this year to compete in various contests. The final and most distant trip was to Enid, Oklahoma. This concluded a fine year for the BHS band.

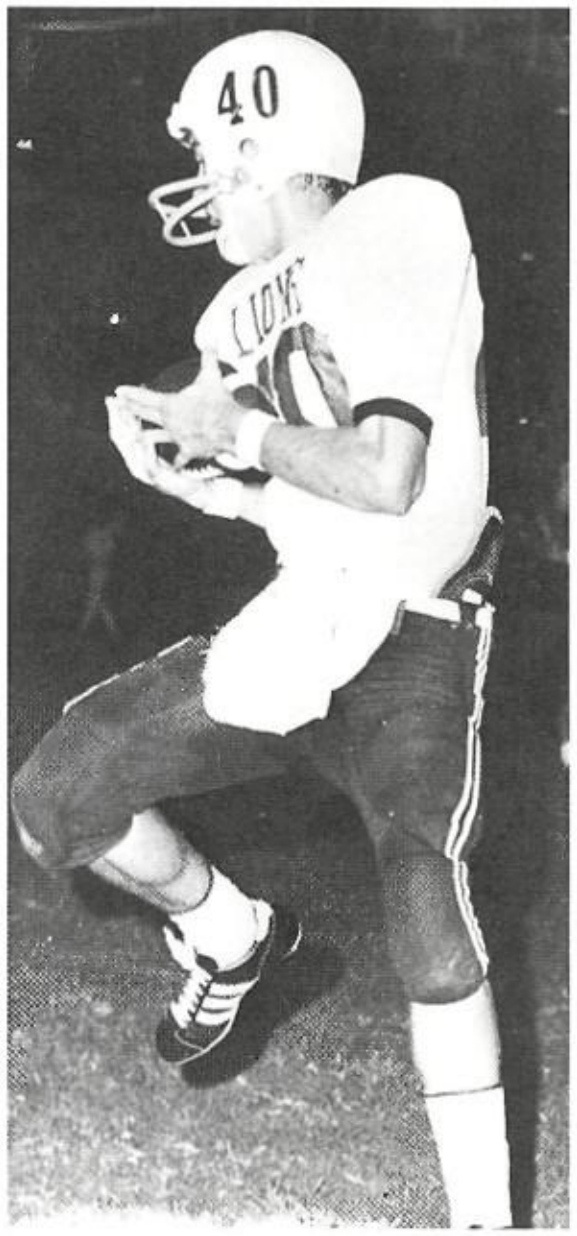
Lions Seek Unprecedented Third Consecutive AAA Crown



What new horizons are left after a ball club has won back-to-back state championships in Class AAA football? Such was the predicament of the 1971 edition of the Brownwood Lions. Having earned the kingpin position in 1969 and again in 1970, some prognosticators were picking the Lions to accomplish the feat again.

The two opening games of the district schedule probably provided the two roughest games on the Lion's schedule. Both Hirschi and Iowa Park teamed potent offenses and capable defenses to produce excellent football teams and managed to give the Lions a battle for the loop crown. Hirschi, a two touchdown underdog, engaged the Lions and proved to be one of the most improved teams in the league before bowing out 7-6 in a defensive squeaker. Iowa Park, too, managed to ruffle the Lions a few times in the District 4-AAA game of the year. Trailing 7-0 at halftime, the Lions came back in the second half to exhibit the poise necessary to be true champions, as they defeated the Hawks 15-7.

The Lions rolled to the last district game with ease, but Burkburnett was supposed to seriously threaten Lion domination of the district again. However, the ever-improving Lions breezed to a crushing 41-7 verdict, and a fifth consecutive district crown.

However, with the first two games past and the Mighty Maroon glancing back at two losses to Class AAAA powerhouses, Abilene Cooper and Abilene High, the faithful dwindled to a hearty few. Not only was the 21-23 loss to Abilene High embarassing before a large home crowd, but it was also captured in the lenses of SPORTS ILLUSTRATED photographer Lane Stewart.

Following the Abilene High game, came the sound defeat of South Grand Prairie, the last non-conference game, to the tune of 33-0, and it was evident that the Lions had found some of the jelling compound needed to begin the long road to state.

above: A pride of Lion blockers assist Rodney Folsom in a big gain against the Andrews Mustangs.

After winning seven straight conference games, the Lions faced Lubbock Estacado, in Lubbock on Thanksgiving night. With tremendous support from the student body, band, drill team, cheerleaders, and other fans, the Lions managed to outlast the awesome Matadors, 7-6. In the quarter-final game against Andrews, the offense had obviously taken some lessons from their Texas International Airlines trip to Lubbock and burned up the airways to trounce the Mustangs 38-0.

Plano Stops Lions

Plano blocked, for a least a time, the Lion's dynasty with the first defeat in a phenomenal string of twenty-eight consecutive district and playoff games. With twenty-one seconds left on the TCU Stadium clock, the Wildcats took the lead on a field goal to win the game 10-8. With spirits sagging the "Mighty Maroon Machine" returned to Brownwood to bandage their pride and to show that even though they had lost, they were not beaten.

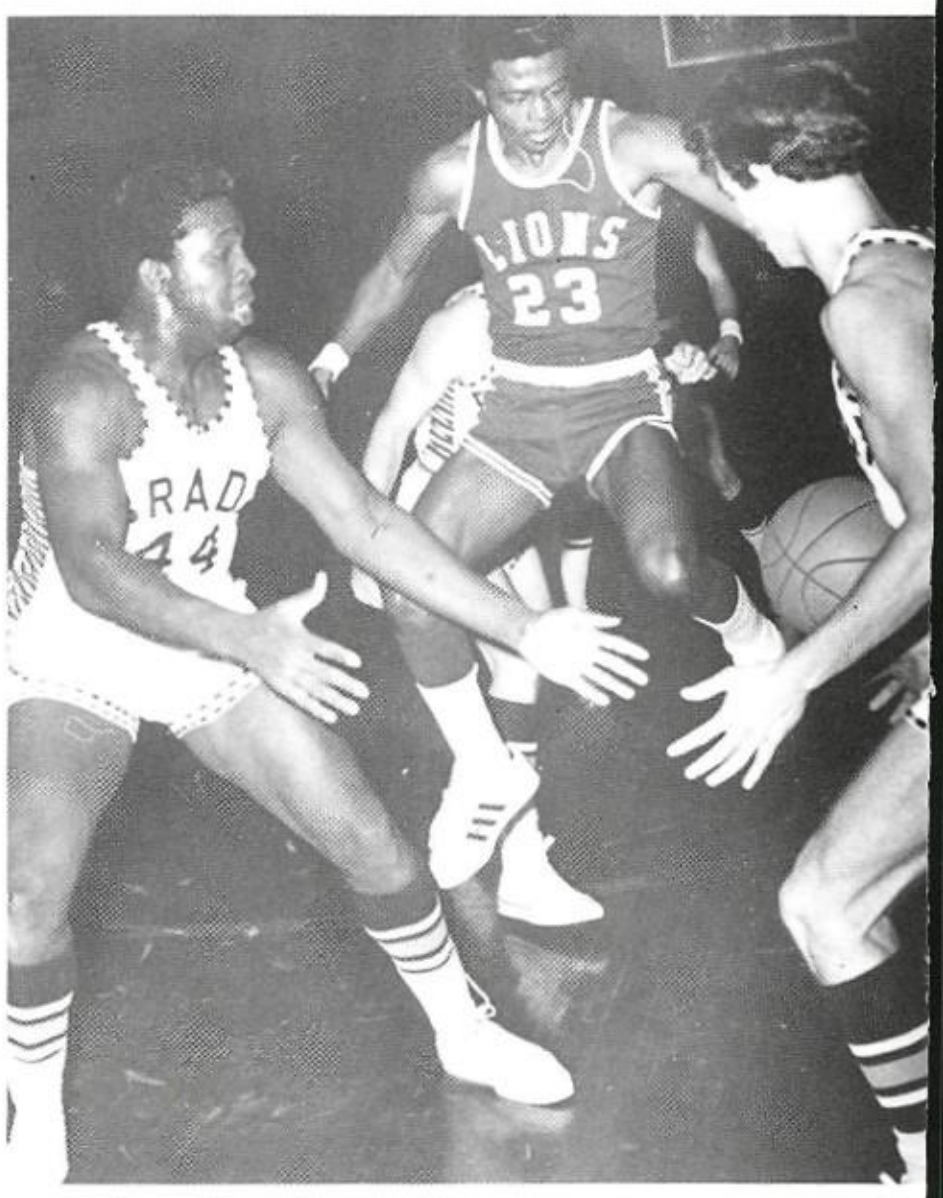
Take District Crown

Roundballers Have Best Season in Five Years.

With several starters still wearing the dirt, pads and sweat of the gridiron wars, the 1971-1972 basketball season began for the Lions. Beginning workouts in early December, Coach Don Martin's charges had the potential to have an excellent season.

Lion roundballers, still sharing their coach with the football team, won opening games against Brady and Lake View and placed second in the Seymour Tournament. During the Christmas holidays, for the first time with a full crew, the Lions had several workouts and faced rugged competition in the Howard Payne Tournament. The Lions represented BHS well before bowing out to awesome AAAA Midland Lee.

The end of the Christmas vacation brought the advent of the district struggle with several injuries plaguing the Lion squad. The Lions battled tough competition in early district games and faced a show-down for the district lead against Burkburnett in a home game. Despite an off-night, the Lions managed to stave off the Bulldogs and went on to finish the first half of the district season undefeated, gaining at least a play-off spot.



above: Mike Brittan "clears the boards" as Tim Reid looks on.

Depth Provides Strong Assist

Strength and Height Carry Maroons to Victory

The second half of the season was dominated by three long jaunts to the "Red River Country" for games with Burkburnett, Iowa Park and Vernon. The "North Country" teams always provide tough competition, especially on their home courts. The ever-improving Lions, however, duplicated their first half performance and finished the second half of the district with a spotless record.

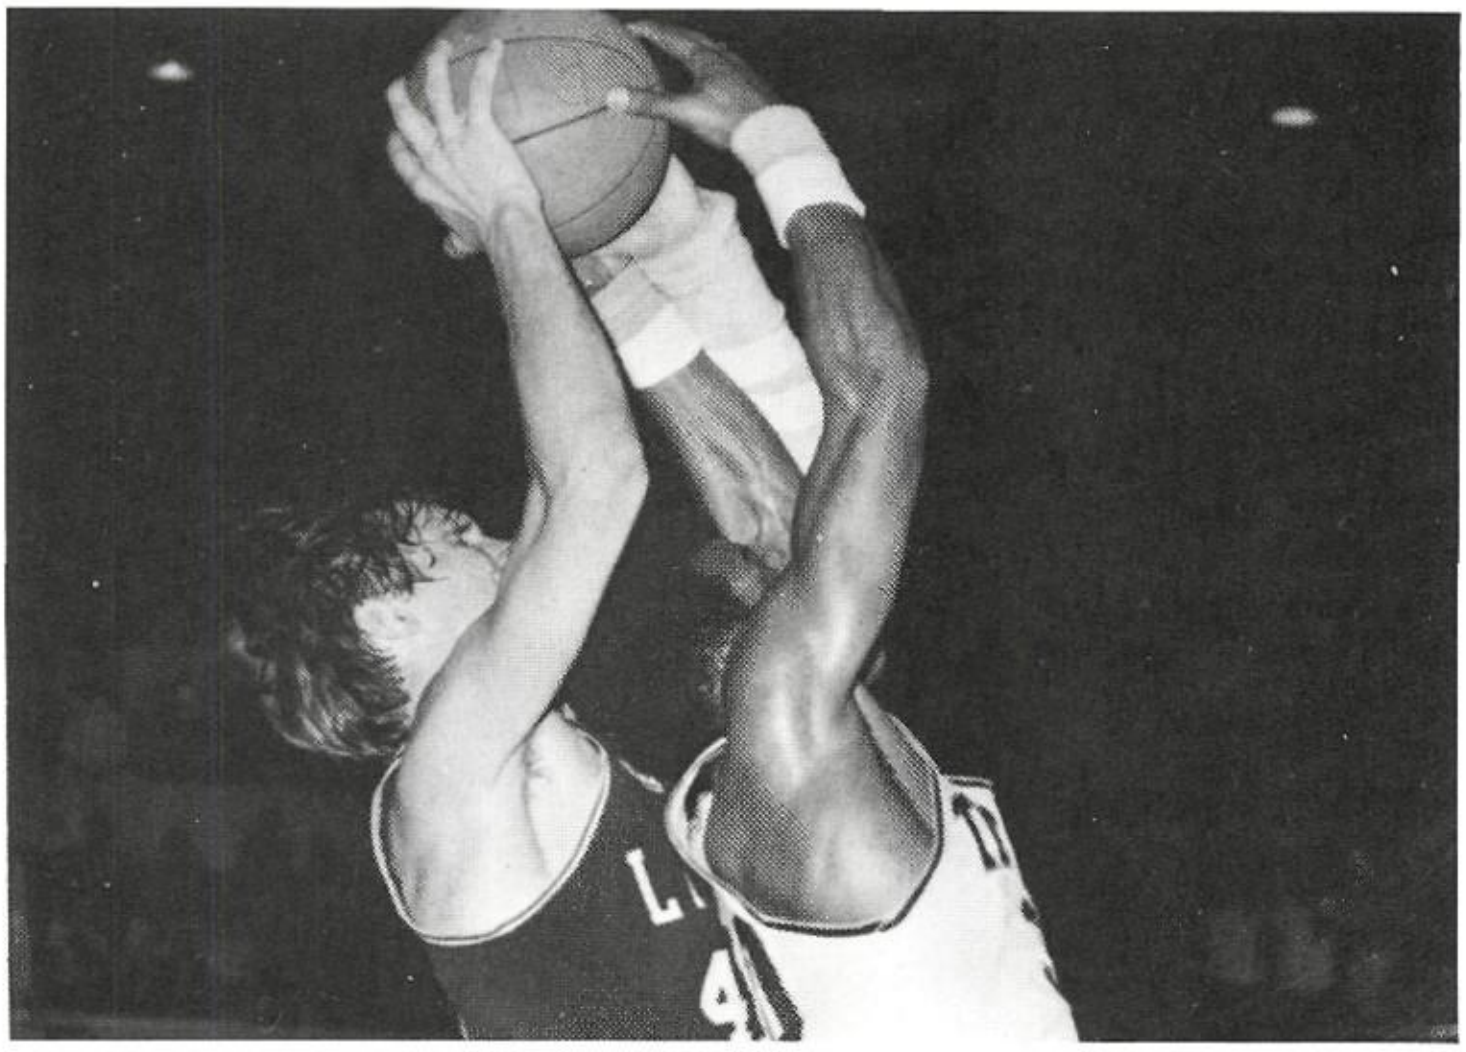
Cold Third Quarter Fatal

Lions Bow Out to Snyder in Bi-District



Boasting a district crown for the first time since 1967, the Lions won a series of coin flips to gain the right to play the Bi-district game in the Brownwood Coliseum against Snyder.

Leading at the end of the first half, the Lions went cold in the third quarter and the tall Snyder team began to pull away. Fighting back, in the final quarter the Lions managed to pull within twelve, 57-69, but couldn't catch the Tigers.

Ending the season on a sour note the Lions were able to look back on a fine 27-5 season and three All-District performances by Mike Brittan, Truman Westfall, and Tammy Hollingshead.

left: Position plays a vital role in the game, as Reid demonstrates.

Golf, Track, Tennis

Spring Sports Bring More District Crowns

The opening of the second semester brought preparations in earnest for the spring sports season. Although golf and tennis teams had been at work since the beginning of school, most of the athletes out for track had been busy with at least one other sport. Golf opened the spring schedule with the San Angelo Tourney on January 28, 29. Battling extremely adverse conditions including wind, rain, ice, and sleet, the 1972 edition of the Lion linksters got off to a poor start and showed need of vast improvement. Tennis was the second spring

McHorse, Burks Take District Titles

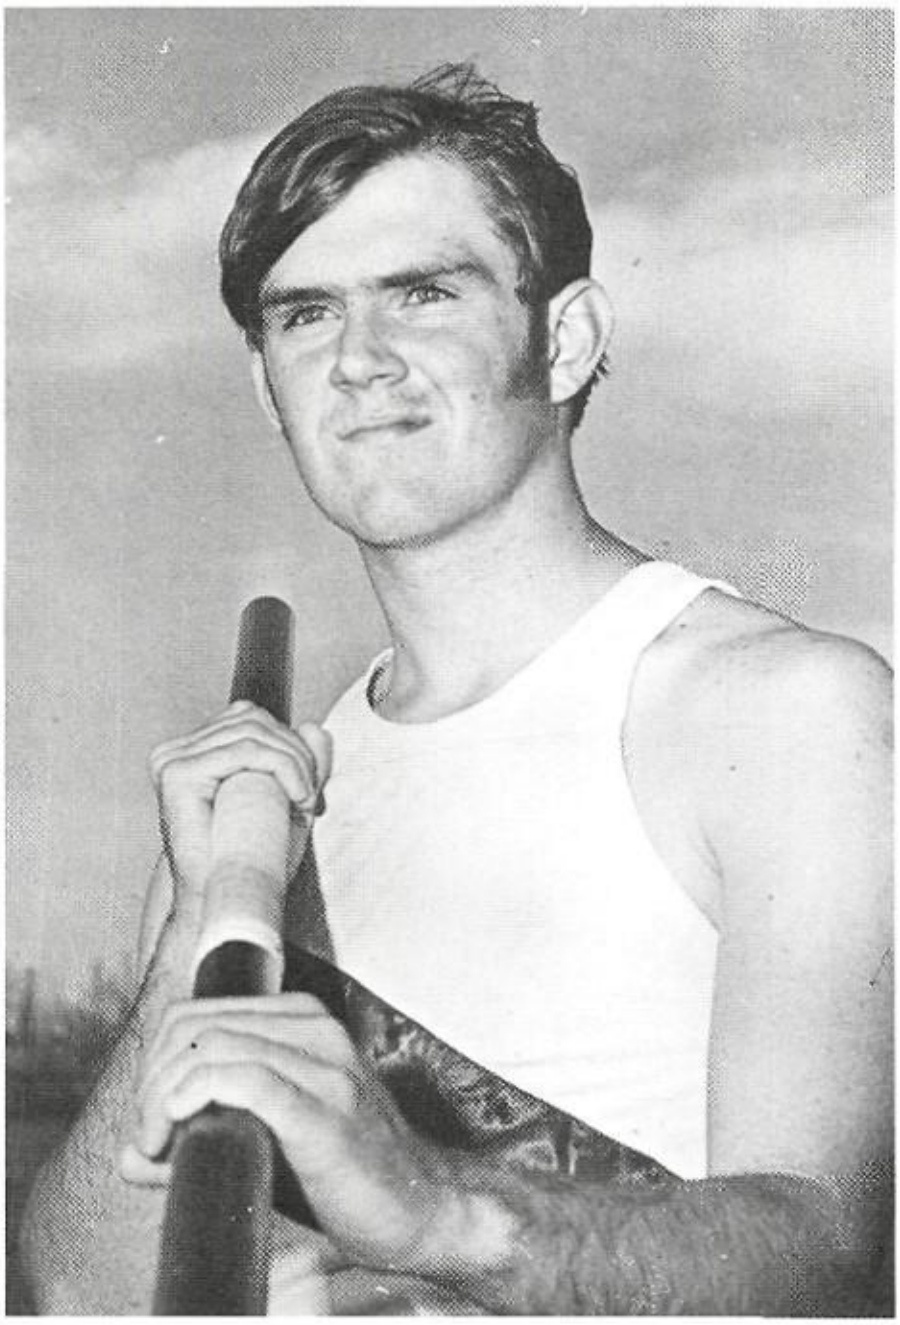
sport to make its debut and the Lion netters faced rugged competition in several tournaments. The next tourney on the linksters schedule was the Abilene Invitational, a thirty-six hole, one-day affair. The Lion team of Randy McHorse, Danny McNeal, Jimmy Cunningham, Charles Porter, and Eddie Clements, battled on all AAAA Field to a sixth place finish. Randy McHorse was runner-up in the medalist race. By this time the Lion cindermen had taken to the field and run to second place finish at the Brady Relays. Brady was also the site of a tourney for the golfers on March 11, and though finishing only one stroke out of first place, the Lions placed fourth behind three AAAA teams. Randy McHorse again paced the Lions by placing second in the medalist race. The following weekend brought a "spring sports weekend" to Brownwood with meets hosted by all Lion teams.

Kirby, Reed to State for Lions



Ricky Kirby

The Brownwood Invitational Golf Tournament also provided the first round of the district competition for the linksters. Lion golfers managed a second place trophy for the overall tourney and held a slim one stroke lead in the district race over Weatherford. McHorse placed second once more in the medalist division and sophomore Jeff Embrey gave the Lions a strong assist. The cindermen place fourth against a strong field and the netters failed to place. Graham hosted the second round of the three meet district golf schedule and Brownwood managed to pick up nine more strokes on the field with Hirschi moving into second and Stephenville holding down third. Weatherford hosted the third and final round at the Benbrook Golf Course and Coach Larry Preas's Lions had to hold on for all their worth to emerge a one stroke victor over Hirschi and a third district crown for BHS. McHorse finally won a medalist race and he and the rest of the Lion golfers were off for Regional at Denton. Weatherford was also the host the following day for the district track and tennis meets.

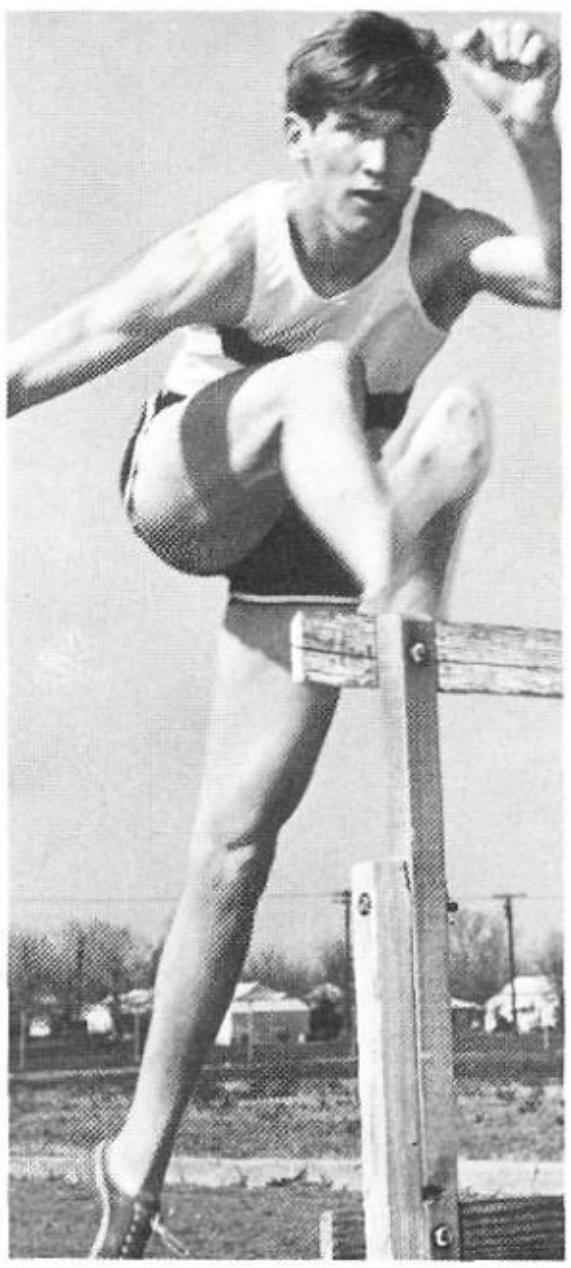
below: Tim Reid "steps" over a hurdle.



Lion tennis star, Steve Burks, paced Coach Kenneth Clowdus's charges as he won the boys singles and Coach Ken West's tracksters turned in outstanding performances in many areas to bring in still another district crown.

BHS was represented by fourteen athletes at regional at North Texas State. Included were: Steve Cutbirth, sprint relay; Brian Cutbirth, high jump and sprint relay; Ricky Kirby, pole vault; Rodney Folsom, sprint relay; Mike Gill, mile; Tim Reid, 120 hurdles; Richard Riggins, 100 yd. dash and sprint relay; Virgil Weisinger, discus; Steve Burks, singles tennis; Jimmy Cunningham, Charles Porter, Eddie Clements, Randy McHorse, Danny McNeal, golf. At regional, Lion golfers, after a bad first day moved up to a fourth place finish and Steve Burks fell in his semi-final match. Tim Reid and Ricky Kirby qualified in their events for the state meet.

At the state meet, Kirby placed second and Reid finished sixth to close out the sports year for BHS with an impressive record of four team district titles and one individual title.

BHS Students Participate in

At the beginning of each month, a Junior Rotarian and a Junior Rotary Ann is chosen from the Senior class by the faculty. The selection is based upon scholastic standing, leadership, and school participation. The senior boy and girl attend Wednesday Rotary meeting on the first Wednesday of the month.

Academic, Departmental, and Special Awards received by record number of students on Awards Day, 1972.

Six boys and two girls are selected by the faculty in the spring of their junior year to attend Boys' State and Girls' State during the summer before their senior year. During their stay in Austin, the students learn about all phases of government.

The National Merit Qualifying Test is given to interested students during their junior year. A student first becomes a semi-finalist based on his test score. National finalists are selected from the semi-finalists on the basis of recommendation.

Students attending Boys' State and Girls' State are Donald Knight, Shae Southall, Tim Reid, Brian Pinto, Rodney Folsom, Steve Cutbirth, Kathleen Yantis, and Robin Troutman.

National Merit Semi-Finalist, Cathy Brandstetter.

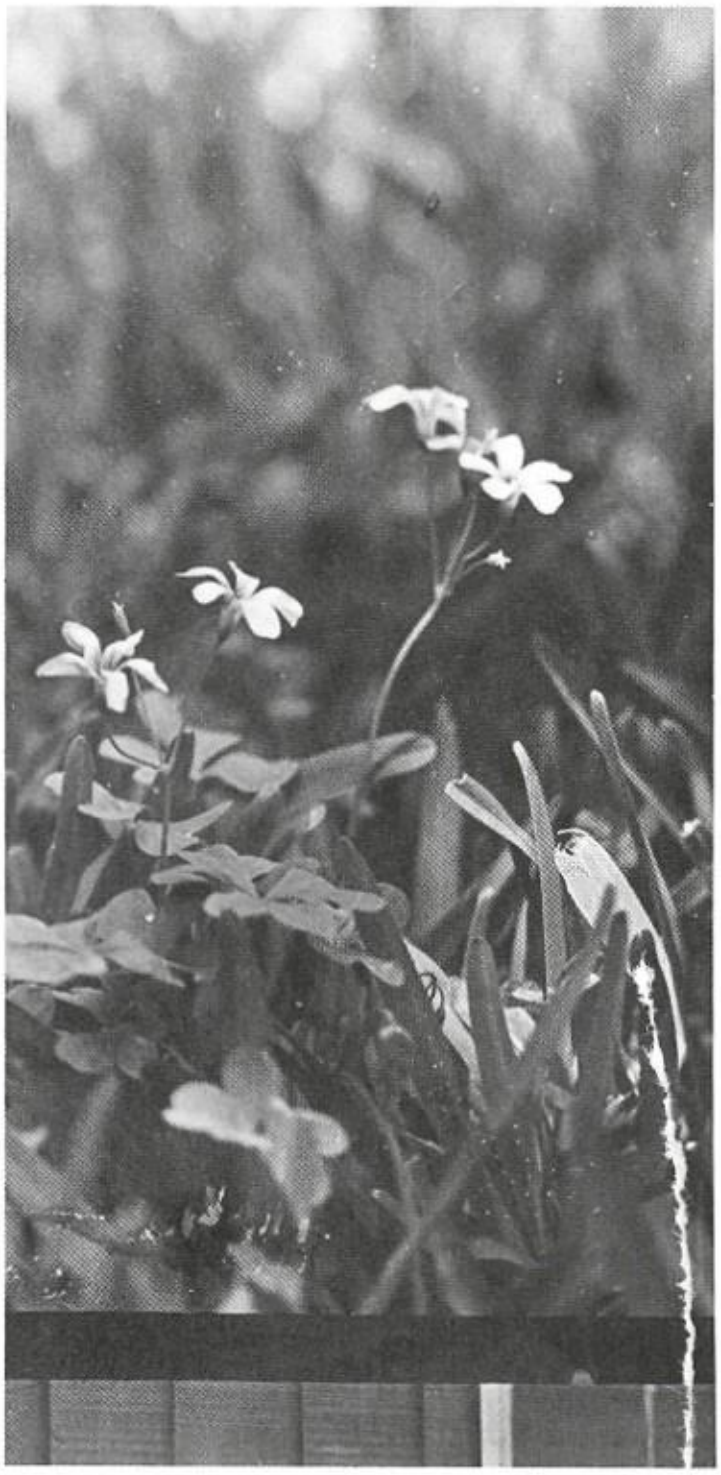
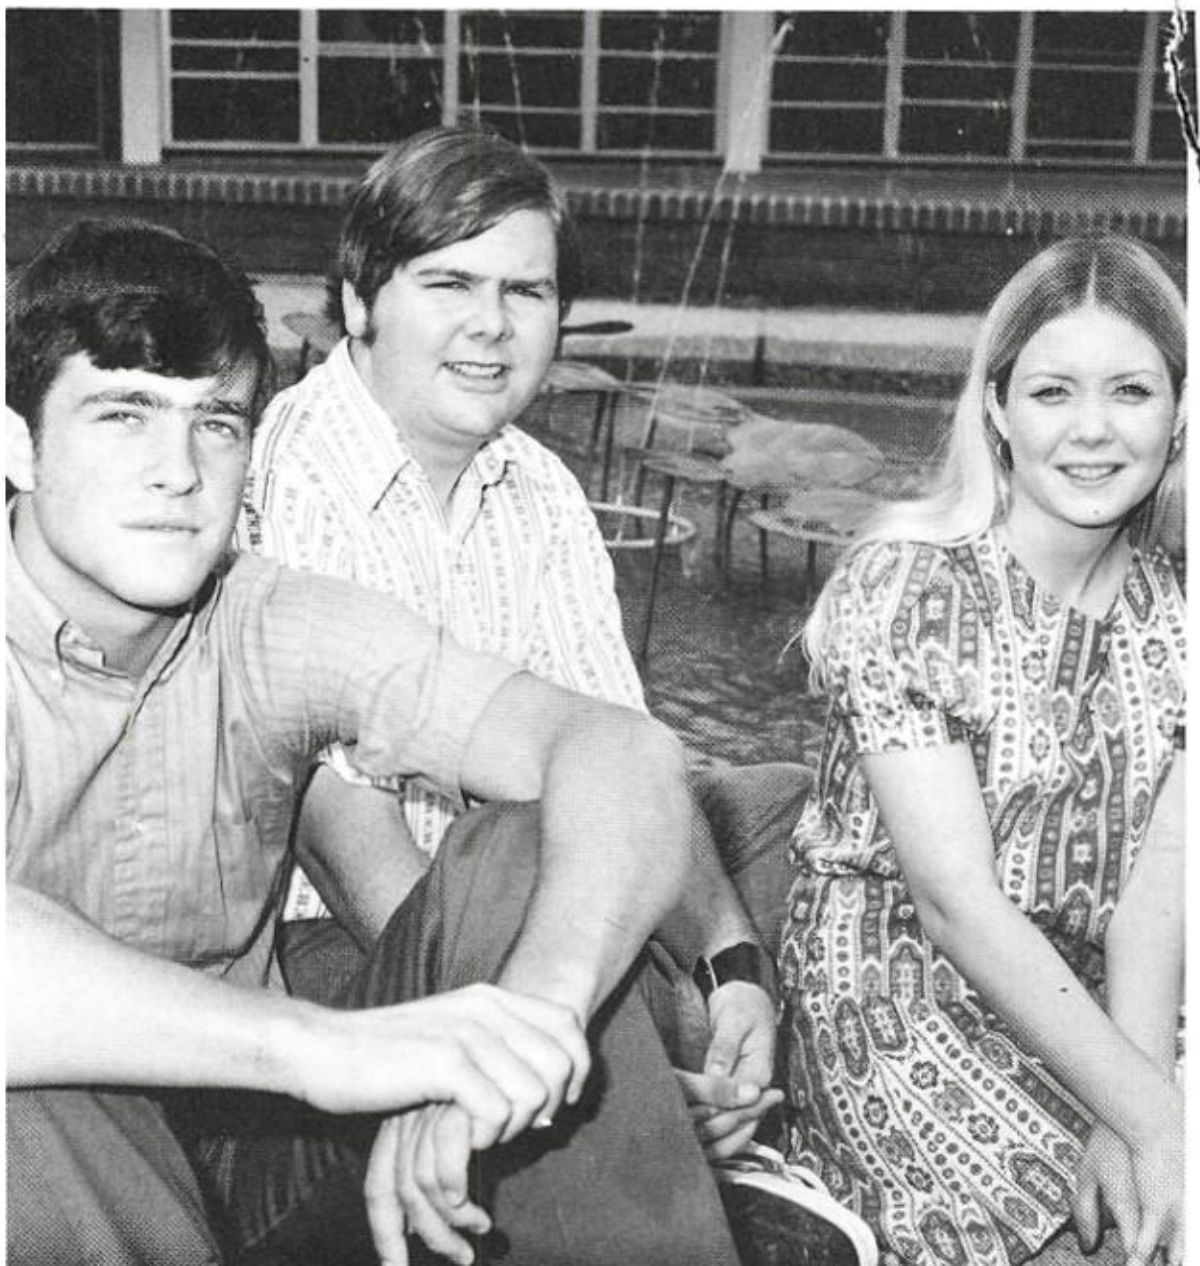
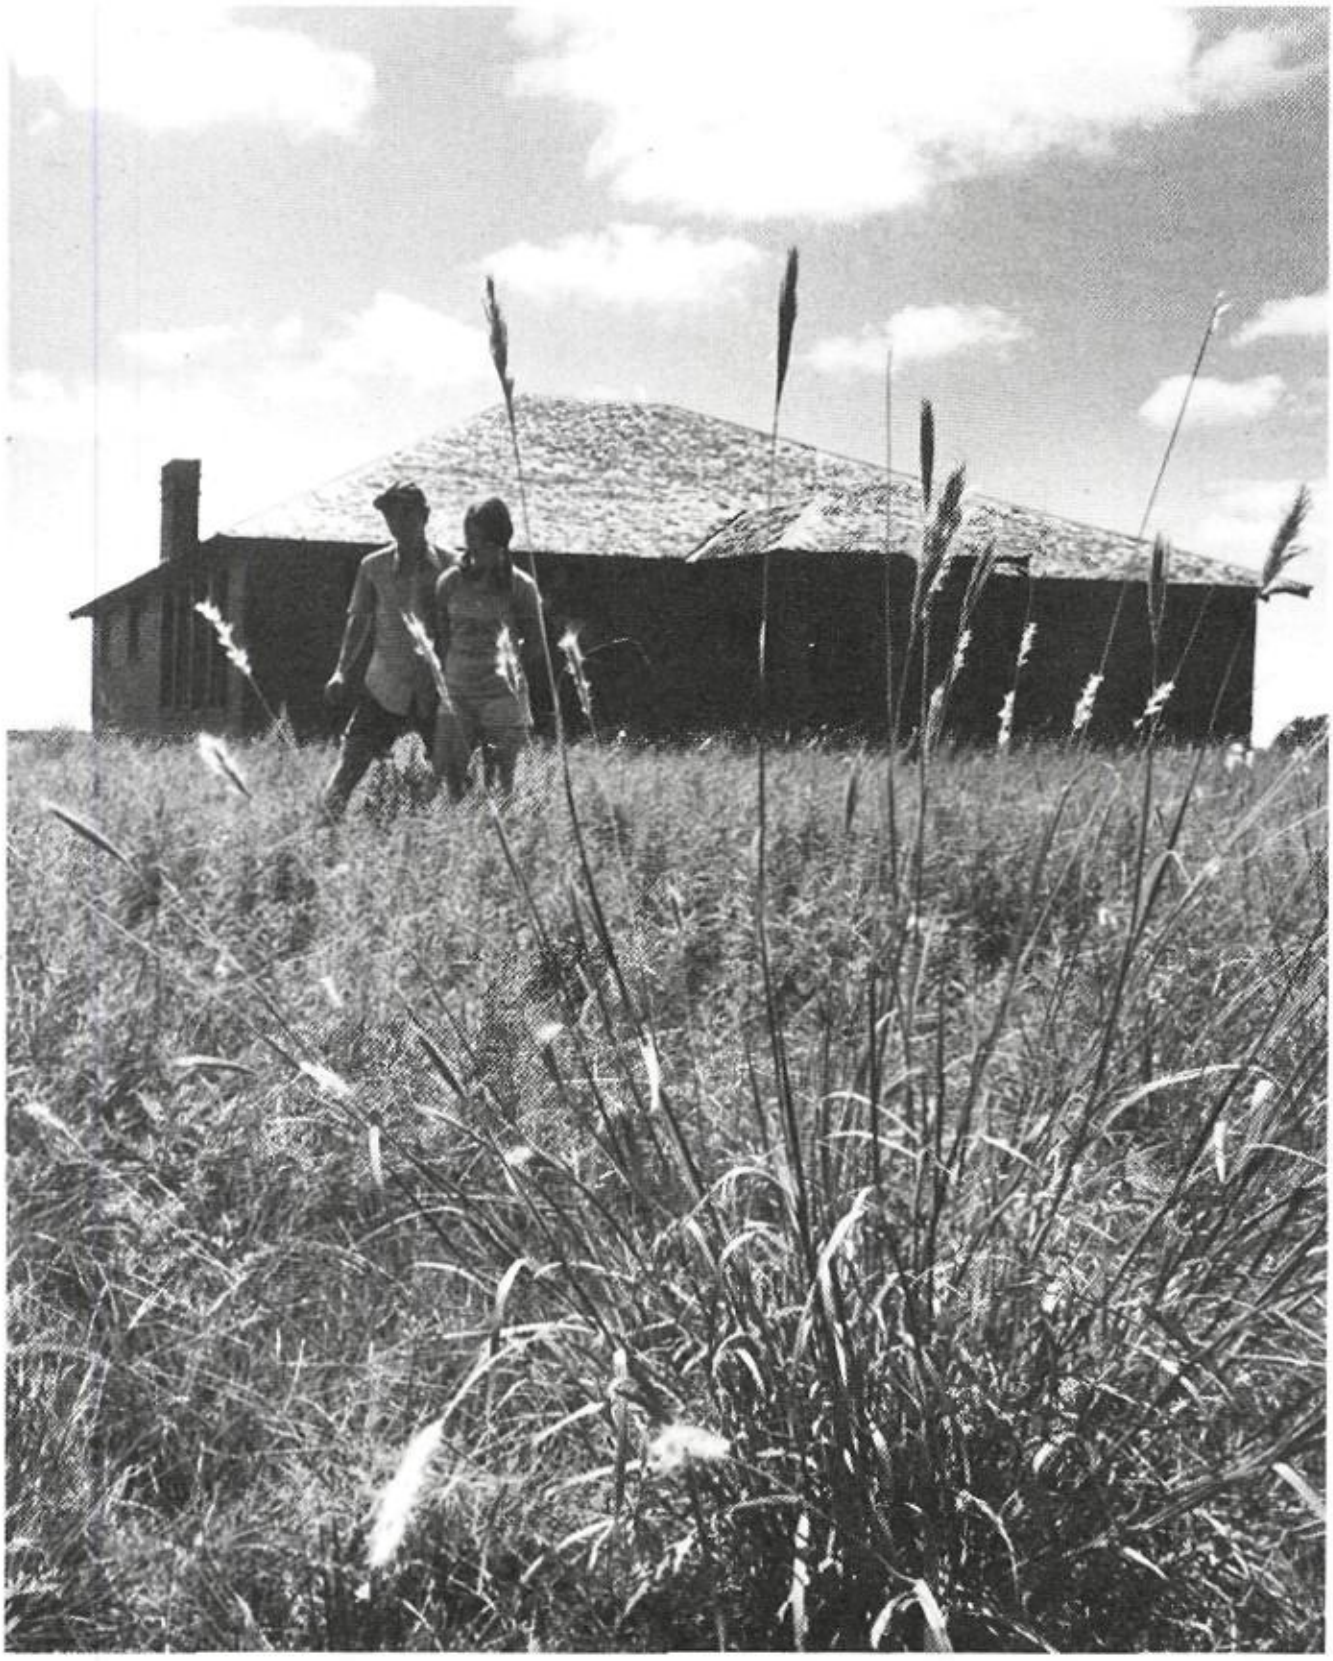
Graduation:
A time, a dream, a reality.







The school year ends with a sigh of relief and a wish for better tomorrows.

Special thanks are due Mr. Lane Stewart of Sports-Illustrated Magazine and Mr. Norman Fisher, editor of the Brownwood Bulletin. Without them this would never have been possible . . .

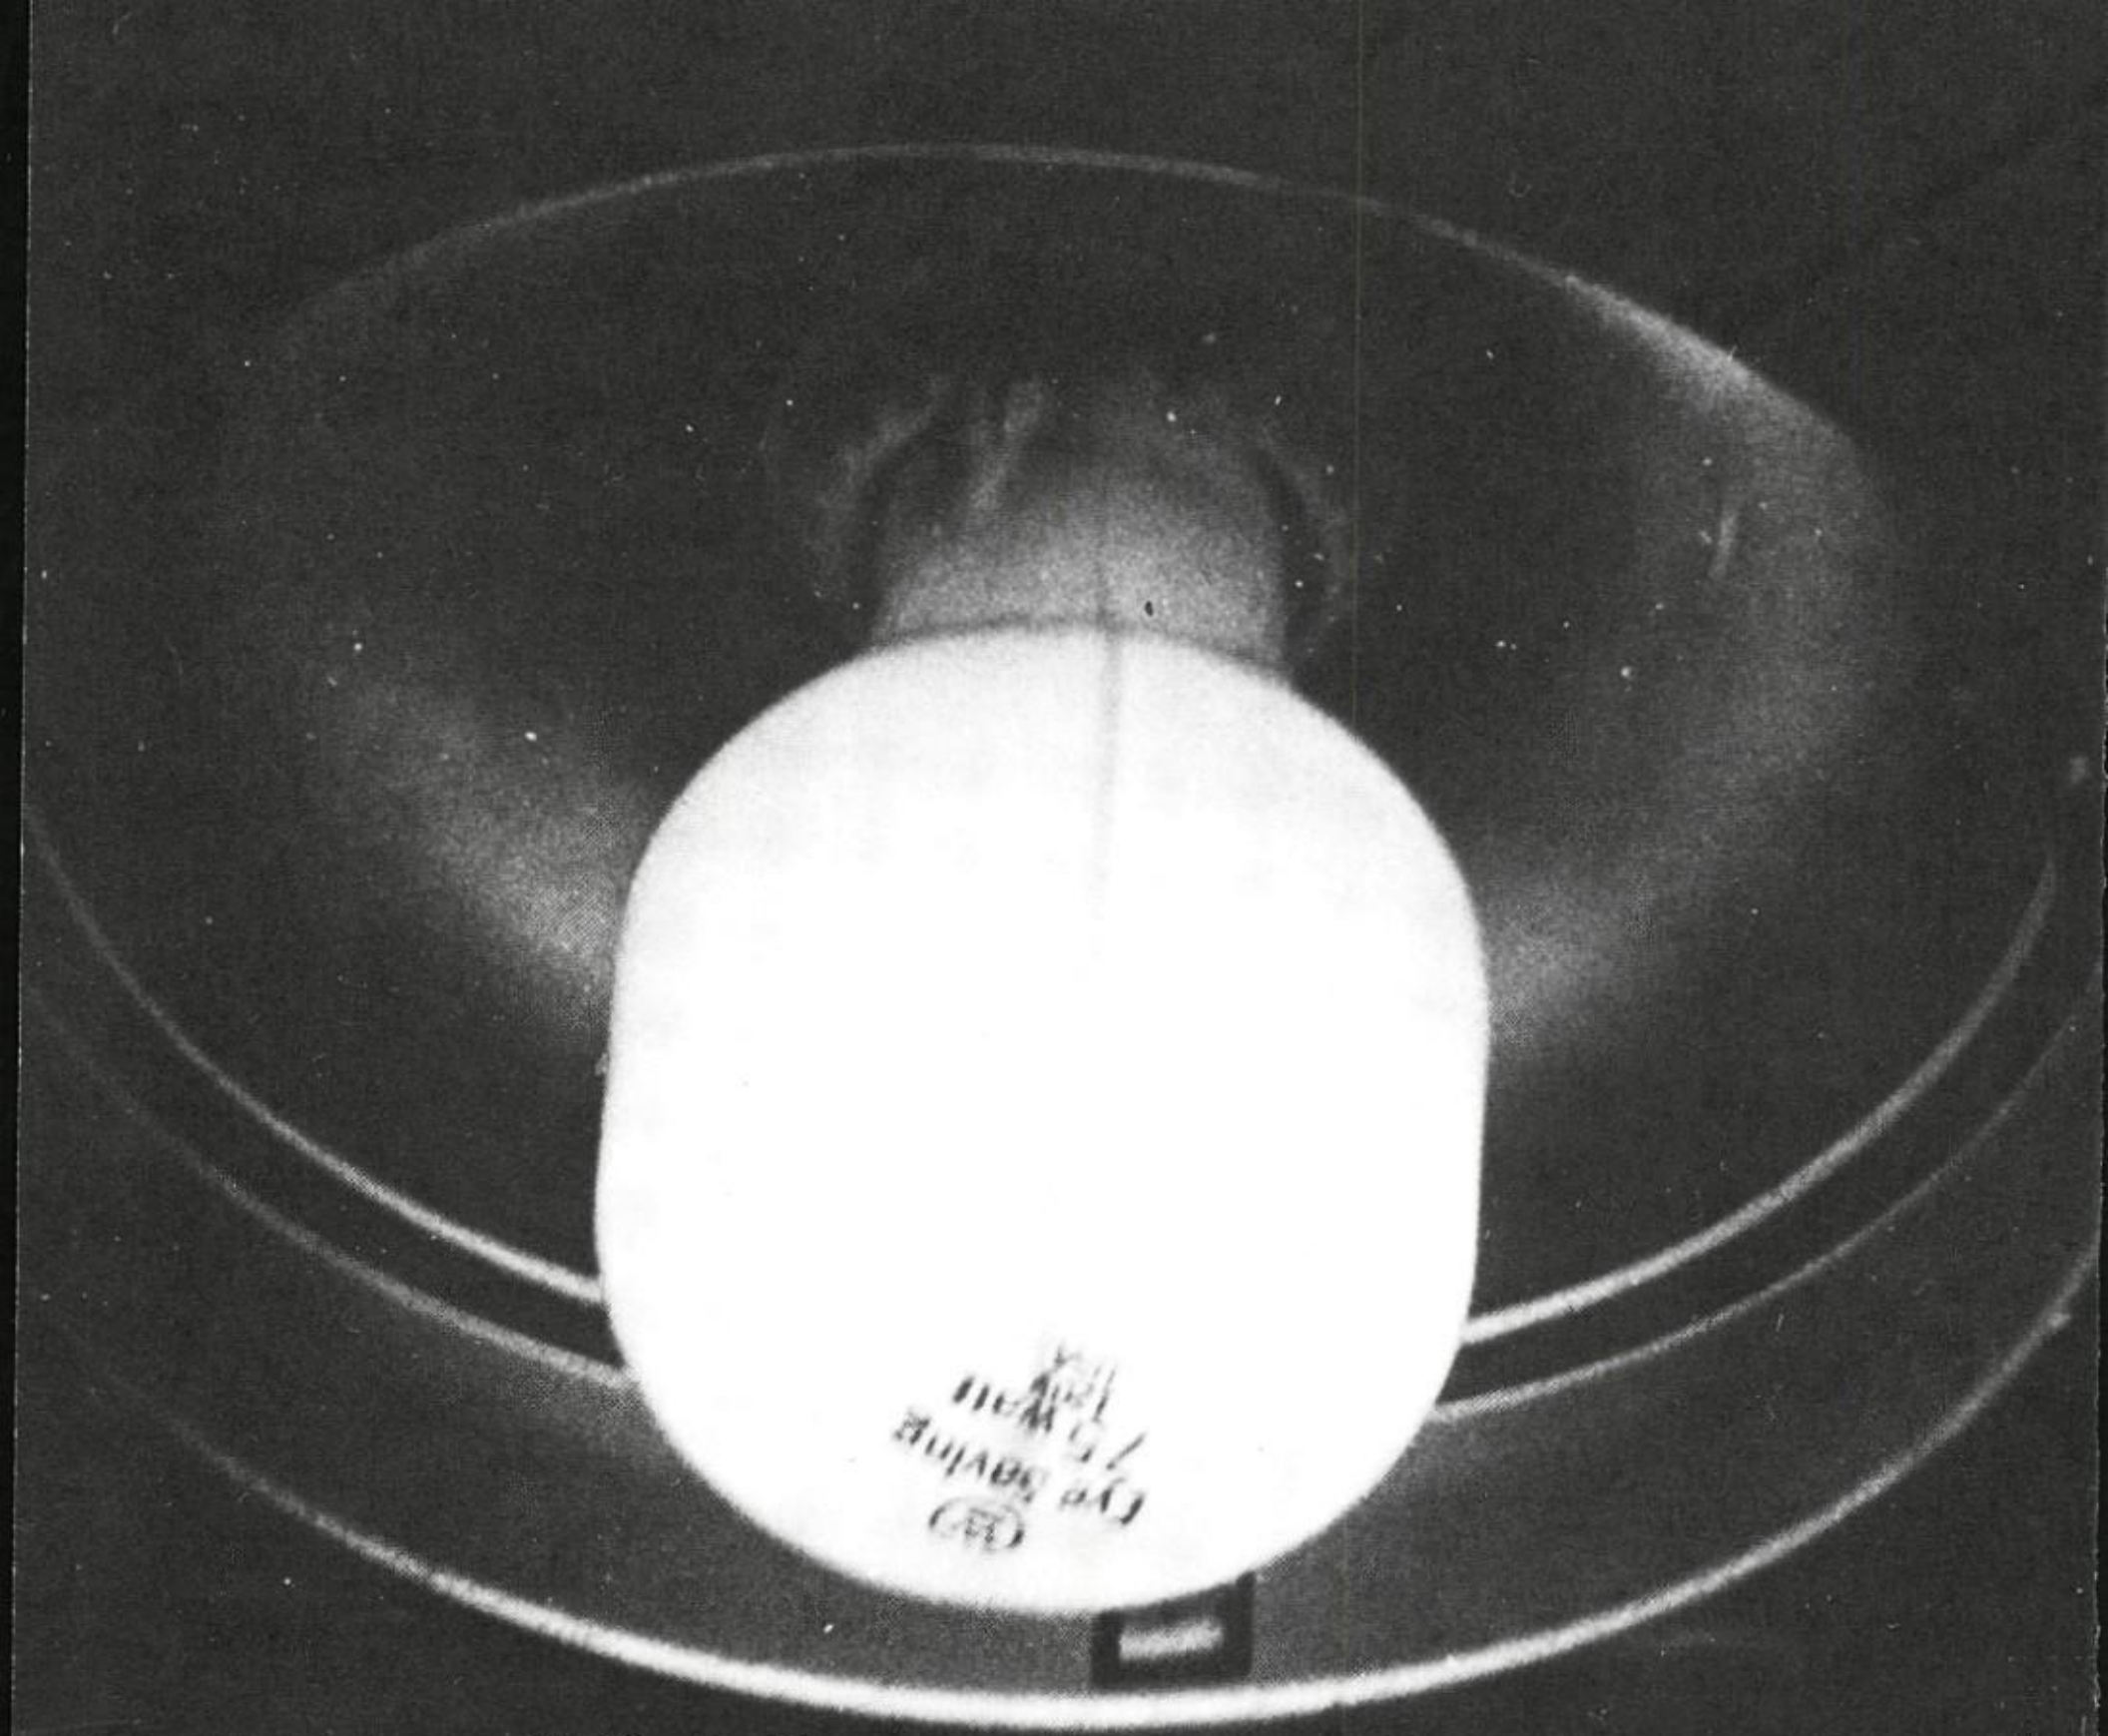
We Are Not Sure Of Our
Destiny — It Will Evolve
From Our Beliefs



"Life is like an onion, you peel it off one layer at a time, and sometimes you weep."

Yvonne,

It's really hard to write about a person with as many odd traits as you've got. You're as kooky as any one around. But we also had lots of fights, but we've also been close and told each other a lot of things. I wish you and Johnny a lot of luck and the best life can offer, cause y'all will need it. I hope we can always be friends and keep in touch after school lets out this year. Keep on giving everyone hell 'cause you'll lose your image

Betsy

Yvonne,
I have known you
for a long time and
I hope we have been
friends. Good Luck
in the future
Suzanne Tulton

Yvonne,
Our known
you a long time
& still remember
night & first got
you until always
friend.
